

5W LED Rechargeable torch light

Wattage of lamp: 5W

Type of lamp: LED

Type: Hand Held Search Light

Application: Emergency lighting

Battery Capacity: 4000 mAh

Dia of search light: 50 to 75mm

Color temperature: 5500 to 6500 Deg.K

Type of Battery: Lithium ion

Type of housing material: ABS

Warranty for HHSL: 1 Year (Li-ion battery)

Continuous search light operation time at maximum lumen output: \geq 3Hours

Effective distance of search light: \geq 8 meters

Model: CL008

Make: M/s Wipro or equivalent.

Equivalency should be proven with datasheet against the Wipro CL008
