

12V 65Ah VRLA Battery bank with rack

12V 65Ah Valve Regulated Lead Acid(VRLA) battery bank (20 nos) with rack

Battery: VRLA sealed maintenance free(SMF) battery of 65Ah, 12V with

bank voltage 240V DC,

with single cell nominal voltage of 2V and

end cell voltage 1.75V

Connectors: Link cables and lugs, nuts, bolts and washers suitable for

the above battery

Battery rack: Open stackable modular form suitable for accommodating

20 nos, 12V, 65Ah batteries with easy accessibility to inspect each cell
