## PRICE SCHEDULE for MCT Blocks

### SECTION - 1: Common Notes

- This document details the price schedule for the enquiry. Bidder shall fill up in this format only. No other format will be entertained.
- 1 No cognizance will be taken of any changes made by vendor with respect to format issued by BHEL in the description of any item in price format.
  - 2a Duly signed & stamped unpriced price schedule format shall be submitted by vendor as a token of their concurrence that the price schedule is submitted in this format. If not submitted in this format or any field is left blank, the offer will be liable for rejection.

All the blank fields shall be filled irrespective of applicability of any item for this Project. If any item is not in bidder's manufacturing range or not available in market (for bought-outs) then "Not Applicable/NA" shall be mentioned in the field. If the bidder mentions "Not Applicable/ NA" against any item and if need arises during order execution for such item, then the same shall be supplied free of cost. If any item is left unfilled, it shall be deemed that the price is included in any of the other quoted items / package and hence, price will be considered as zero for evaluation/additions. Also, for such items, unit rates for deletions will be at the discretion of BHEL.
  - 3 Vendor shall fill up prices of various items and submit to BHEL in separate sealed cover as commercial offer. All prices shall be submitted as ex-works. Applicable taxes and duties shall also be indicated separately.
  - 4 The format contains **THREE** sections:
    - 4a Section-1: Common Notes
    - 4b Section-2: Price Schedule for Main Equipment **for the MCT Blocks**
    - 4c Section-3: Unit Rates **for the MCT Blocks** for Addition/ Deletion of Components
  - 5 **Tender evaluation priority / criteria shall be as per the Landed cost to BHEL based on Grand Total in Section-2.** However, in case of any mis-match in values quoted by the bidder, final decision will be at the discretion of BHEL.

For addition/reduction of quantity, unit rate quoted in the present offer shall be considered during ordering and shall be valid up to execution of the contract to the extent of +10% and -30% of order Value. These would include the cost up to engineering, installation of the item, wiring up in the panel and seamless integration with main system at works/site without any cost implications. All accessories required for this purpose shall be included in the price quoted.
  - 6 Unit rates of components would be used for effecting required additions/deletions of main equipment during order execution.

These would include the cost up to engineering, installation of the item, wiring up in the panel and seamless integration with main system at works/site without any cost implications. All accessories required for this purpose shall be included in the price quoted.
  - 8 Components/ Items/ Spares shall be identical to the main equipment.
  - 9 Billing & Payments will be as per final approved BOM.
  - 10 All rates of Section-2 & Section-3 shall be valid up to execution of the contract and handing over to end user.
  - 11 BHEL reserves the right to order part quantity or short close if any item/main equipment is not needed during execution.
