**TENDER NO - PSER:SCT:RKL-M1847:17**

**ANNEXURE-A TO TCN-01**

**CLARIFICATION TO BIDDER'S QUERIES**

<b>Sl. No.</b>	<b>Reference clause of tender document</b>	<b>Existing provision</b>	<b>Bidder's query</b>	<b>BHEL's clarification</b>
1	17.0 (page 5 of 16 of NIT)	REVERSE AUCTION	<p>This is major EPC project and lot of efforts from bidders would go in for preparation of the engineering package.</p> <p>We modestly feel, reverse auction (RA) is best suited for pre-engineered tender.</p> <p>Hence, it would be unfair to consider this tender for reverse auction (RA). We request withdrawing clause of RA for this tender.</p>	As per tender
2	Criteria Note D (page 10 of 16)	JV / CONSORTIUM	<p>The scope of tender calls for PTP, ETP, DM and STP experience as stipulated in the tender.</p> <p>It is unlikely that all the experience sought, may not be available with any single bidder.</p> <p>The tender allows for sub vendor's experience for PQ. However, we propose your considering the JV/Consortium bid from maximum 2-3 bidders as this ensures joint and several responsibility and hence more accountability of the bidders than only sub-contract route (which does not ensure commitment of the sub-contractor).</p>	As per tender
3	Salient Features of NIT, clause V (Cover Page 1 of NIT)	DUE DATE : 10.08.2017	<p>The scope is wide and the tender is quite exhaustive comprising of PTP, WTP, DM, STP, ETP works. The time available is extremely short for bidding.</p> <p>May we request your considering due date extension of at least 1 month and due date extension upto 10th Sept. 2017.</p>	No extension is envisaged at this juncture.
