**Subject: Guidelines for Adoption of Electronic Payments & Receipts in Government.**

Dear Sir,

As you are aware, Government of India has the ambitious programme of "Digital India" with a vision to transform India into a digitally empowered society. The Digital India Apex Committee meeting held on 15<sup>th</sup> October, 2015 under the Chairmanship of Cabinet Secretary, had decided that at least 90 percent of all the Government payments and receipts to be made electronic by 31<sup>st</sup> December, 2016 and fully electronic by 31<sup>st</sup> March, 2017.

2. Taking this into consideration, MeitY has published a "Guidelines for Adoption of Electronic Payments and Receipts". The guideline aims to provide guidance for adopting electronic payments through various payment channels and modes, depending upon the present state of IT readiness.

3. In this regard, it is requested to kindly encourage all Central Public Sector Enterprises which receive or make payments non-electronically, to comply with the guideline available at <http://meity.gov.in/whatsnew/EPRframework.pdf> or <http://egovstandards.gov.in> for smooth transition towards electronic transactions.

With regards,

Duly
