ANNEXURE-A TO TCN-10

JOB: Design, Engineering, Manufacturing, Supply, Erection, Testing, Commissioning, etc. of Raw water intake system including Cross Country GRP Pipeline for 1x250 MW unit at PP-II Expansion, NSPCL, Rourkela, Odisha.

TENDER NO. PSER:SCT:RKL-M1828:17.

CLARIFICATION OF BIDDER'S QUERY

SL NO	REFERENCE CLAUSE OF TENDER DOCUMENT	EXISTING PROVISION	BIDDER'S QUERY	BHEL'S CLARIFICATION
1	Cl. no. 4.1 of Common TCC (Supply & Service) : Vol – IF	Bidder shall note that separate orders shall be placed for (a) Main Supply, (b) Main Services, & (c) Operation & Maintenance. Security Deposit, Performance Bond, etc, shall be calculated for respective orders separately and successful bidder shall submit accordingly.	We would request that the entire job inclusive of supply, erection and O&M should be awarded as a single Composit Contract. This would generate interest amongst sincere bidders. Kindly confirm.	Shall be as per tender provision.
2	Cl. No. 30.0 of TCC (Supply) and Cl. No. 29.1 of TCC (Service) : Vol - IF	Completion Period – 10 months (For Supply order) and 14 months (Service order)	Considering the complexity of the tender, particularly the river work, it would require a minimum of 2 flood free seasons to complete the work satisfactorily. We would therefore request you to revise (extend) the contract completion period to 24 months (as a Composite Contract).	Shall be as per tender provision.
3	Cl. No. 36.0 of TCC (Supply) : Vol - IF	PVC clause	Considering, the continued volatility of material and labour rates observed in the market and in the light of our request for extension of completion period as 24 months, inclusion of PVC clause in the tender is very much required for submission of a competitive bid. Kindly therefore incorporate the PVC Clause in the tender.	Shall be as per tender provision.
4	BHEL's clarification against sl. no. 12 of Annexure-A to TCN-05	-	As per the reply uploaded on the website, "The responsibility of taking statutory permissions from Railway, National Highway, Forest etc. shall rest with vendor". It would not be feasible for the Bidder to arrange for the statutory clearances for encumbrance-free land, ROW, Forest etc at his end. We would request you to provide necessary approvals / permissions from statutory/ Govt bodies to the Bidder (Contractor) at your end so that the Contractor can focus on timely completion of work.	The responsibility of taking statutory permission from Railway, National Highway, Forest etc. shall lie with the vendor, however necessary assistance, as may be required, shall be provided by BHEL/Owner. Statutory fee, if any, in this regard shall be paid by BHEL/Owner.
5	Cl. No. 36.0 of TCC (Service) & Cl. No. 37.0 of TCC (Supply) : Vol - IF	Over Run Compensation/ Rate Revision	We understand that provision of over-run compensation is not applicable for the tender. However in case of any delay in completion of work for reasons not attributable to the Contractor, the provision of Over-run compensation should be available to the Contractor. Kindly confirm.	Shall be as per tender provision.
6	General	Extension of Bid Submission Date	We would request you to kindly extend the Bid submission date by minimum 10 days post issuance of clarification to enable us to submit our bid to you.	Due date of submission of tender is extended upto 14-07-2017.

FORMAT FOR NO DEVIATION CERTIFICATE
