Dear Sirs,

With reference to above, this is to confirm that as per tender conditions, we have visited site before submission of our offer and noted the job content & site conditions etc. We also confirm that we have not changed/ modified the tender documents as appeared in the website/ issued by you and in case of such observance at any stage, it shall be treated as null and void.

We hereby confirm that we have not taken any deviation from tender clauses together with other references as enumerated in the above referred NIT. We hereby confirm our unqualified acceptance to all terms & conditions, unqualified compliance to technical specification, integrity pact (if applicable) and acceptance to reverse auctioning process.

In the event of observance of any deviation in any part of our offer at a later date whether implicit or explicit, the deviations shall stand null & void.

We confirm to have submitted offer in accordance with tender instructions and as per aforesaid references.

Thanking you,

Yours faithfully,

(Signature, date & seal of authorized
representative of the bidder)

VOLUME-III PRICE SCHEDULE, REV-01	
DESIGN, ENGINEERING, MANUFACTURING, SUPPLY, ERECTION, COMMISSIONING ETC. OF FUEL OIL HANDLING SYSTEM & MISCELLANEOUS TANKS PACKAGE FOR 2X660 MW MAITREE STPP, RAMPAL, BANGLADESH. TENDER NO PSER:SCT:KLN-M1857:17	
PREAMBLE	
SL NO	
1	This preamble forms part of tender document and schedule of items. The tenderer should read this preamble carefully before filling in rates for various items. Clauses under this preamble shall be read in conjunction with various volumes of tender and other tender sections as applicable and shall have precedence over any contrary statement mentioned anywhere in this document.
2	The work shall be carried out strictly as per specifications, description of the items in these schedule and / or engineer's instructions. Drawings enclosed with the tender are only preliminary and for tender purposes and giving some idea of the work involved. The work is to be executed as per drawings & documents, which shall be furnished during execution.
3	Items of work provided in this schedule but not covered in this specification shall be executed strictly as per instruction of the engineer.
4	Unless specifically mentioned otherwise in the tender document, the tenderer shall quote for the finished items and shall provide for the complete cost towards power, fuel, tools, tackles, equipment, constructional plants, temporary works, labour, dismantling of all temporary piping, structures, valves, pumps, tanks & other misc. equipment, strengthening of roads/culverts/bridges etc. including arranging all clearances etc. required for carrying out different activities & tests, materials, levies, taxes(except service tax), transport, layout, repairs, rectification, maintenance till handing over, supervisions, colonies, shops, establishments, overheads, profits and all incidental items not specifically mentioned but reasonably implied and necessary to complete the work according to the complete tender document and this schedule.
5	The quantities of the various items mentioned in this schedule of items are approximate, based on very preliminary information and may vary to any extent or be deleted altogether. The quoted rates of each item will remain firm throughout the period of execution including extension, for reasons whatsoever, as long as variation in the total value of work executed under any part of this contract including extra items, if any but excluding any price variation remains, within fifteen percent ($\pm 15\%$) of the awarded price as per LOI .
6	Prior written approval of BHEL shall be sought by the contractor in case quantity variation of any item crosses +50% (plus fifty percent) limit during execution and approval to be obtained before execution of further quantity for this item.
7	In case Sealed /Paper Price Bids are opened for finalisation of the tender, for any Item Rate/BOQ based contract, possibility of variation of quantity/ addition/deletion of items can not be ruled out. Under such circumstances, after execution of work, if it is observed that standing as L-1 is changed based on actual quantity executed, the bidder shall give suitable rebate to maintain your standing as L-1. Since this aspect can be assessed at the end of execution, necessary adjustment will be effected at the end of execution in final bill.This condition shall not be applicable where the tender is finalised through Reverse Auction.
8	BHEL reserve the right to rationalize the rates, quoted by L-1 bidder against unit rate items and/ or other optional items with respect to item-wise lowest rates (amongst the participating bidders), before placement of order.
9	The rates quoted shall be inclusive of cleaning of site of any vegetation, dressing , clearing of old structures and leveling etc. including fixing of grid pillars, benchmarks etc. required for commencement of site activities. No separate payment will be made towards the same.However, if separate rate for such item is available in the rate schedule, the same shall be considered.
10	Rates shall be quoted in figures and in words in clear legible writing. No overwriting is allowed. All scoring and cancellations should be countersigned and in case of illegibility the interpretation of engineer shall be final. All entries shall be in English language.
11	All works item wise shall be measured upon completion and paid for at the rates quoted and accepted as per BHEL approved payment schedule/billing break-up.
12	The tender shall be deemed to have visited site and made himself aware of all the site conditions, studied the specifications and details of work to be done within the time schedule attached and to have acquainted himself of the conditions prevailing at site.
13	No splitting of the job is envisaged. Decision of BHEL in this regard shall be final and binding to the bidders.
14	Bidders are not allowed to alter the Price Schedule format including item description, quantity etc. and the offer is liable for rejection if the bidders submit their prices in Price Schedules modified by them.BHEL reserves the right to reject the offers of bidders who submit offers in Price Formats which are modified/alterd by them. Also putting any comments instead of rates/price in the designated column of the rate schedule shall make the offer liable for rejection.
15	Bidders to note that for Civil &/Structural packages, against a particular item against a ST No. appearing in more than one schedule of the BOQ, same rate must be quoted in all schedules for that particular items with same descriptions. If by error, different rates are quoted in different schedules for same ST No.(i.e. item with same description), then the higher of the rates shall be considered for evaluation but awarding shall be done with the lower rate ,if the bidder becomes L-1."
16	For Lumpsum Service Contract: The items/components indicated in the tender is indicative and may vary to any extent. No compensation shall be payable in case of any variation in the items/components listed in the bill of quantities if the executed weight remains within the variation limit. However, in case of deletion of any item or addition of new items over and above the items listed or variation of existing quantity beyond variation limit specified, adjustment (i.e. Payment or recovery as the case may be) shall be done on pro-rata basis based on the Rate per MT worked out from the quoted lump-sum Price and the total weight of components listed /indicated in price schedule plus 15% weight variation limit.
17	Engineer's decision shall be final and binding on the contractor regarding clarification of items in the schedule with respect to the other sections/volumes of the contract.
18	In case of tender for Civil and/or Structural works, if the Non-schedule items are not quoted by the bidder, it will be treated at par with rate of corresponding item of CPWD/PWD/DSR schedule as prescribed in the tender/BOQ cum Rate Schedule.
19	No interest, whatsoever, shall be payable by BHEL on the security deposit, any bank guarantee submitted or any amount due to successful bidder/contractor.
20	Size and weights of various items are mentioned in the attached BOQ cum rate/price schedule for reference purpose only & these shall not be taken into consideration for quoting/calculating amount in the rate schedule. These shall be utilised as per relevant sections of tender. Bidders shall quote for each item in the rate column, taking unit as mentioned in the quantity column. Rates shall be filled in both figures and words. Amount shall be calculated based upon these rates multiplied by the mentioned quantity for the respective items.
21	Bidder's Total price will be considered for evaluation unless stated otherwise.
22	In case of BOP packages, if Bidder does not quote/indicate the price for freight charges against indicated rate schedule, the same shall be considered as 2% of basic price and adjusted with the total quoted price against each item keeping the total quoted price unaltered.

VOLUME-III PRICE SCHEDULE, REV-01		
DESIGN, ENGINEERING, MANUFACTURING, SUPPLY, ERECTION, COMMISSIONING ETC. OF FUEL OIL HANDLING SYSTEM & MISCELLANEOUS TANKS PACKAGE FOR 2X660 MW MAITREE STPP, RAMPAL, BANGLADESH.		
TENDER NO - PSER:SCT:KLN-M1857:17		
SCH-1 - TOTAL PRICE		
SL NO	DESCRIPTION OF EQUIPMENT/ ITEM	TOTAL QUOTED PRICE (Rs)
1.0	Total price for supply part & service part together for design, engineering, manufacturing, inspection and testing, painting, supply/delivery duly packed at project site including freight, receipt, unloading, storage & handling at site, erection, commissioning, load testing, trial run, handing over to customer, etc. in line with drawings/ documents/ test procedures approved by BHEL/ customer, etc. for the total scope defined in the technical specification and terms & conditions of tender, taking into account all clarifications, confirmations & agreements till date for Fuel Oil Handling System and Miscellaneous Tank Package , complete with all accessories, including supply of consumables, erection & commissioning spares, maintenance tools & tackles, mandatory spares.	
NOTE		
1.0	Bidder to note that total price at sl no 1.0 above shall be considered for evaluation & awarding. As such total price at sl no 1.0 should be complete in all respect for the full scope defined and considering all terms and conditions.	
2.0	Bidder to note that percentage break-up of above total price into supply part, service part are frozen and indicated in SCH-2. Based on this broad break-up, item/ system-wise percentage break-up of supply part & service part are frozen & indicated in subsequent schedules. Based on this break-up and further break-up in subsequent schedules, separate orders will be placed for (i) Main Supply, (ii) Main Service, & (iii) Mandatory Spares.	
3.0	For supply part, bidder shall furnish break-up of broad allocated item/ system-wise prices in the respective schedule in the following manner:	
3.1	SCH-3 - Main supply price break-up for various items/ systems as per prescribed format.	
3.2	SCH-4 - Erection & commissioning spares price break-up, indicating items-wise break-up corresponding to allocated percentage of SCH-3..	
3.3	SCH-5 - Special tools & tackles for maintenance price break-up, indicating items-wise break-up corresponding to allocated percentage of SCH-3..	
3.4	SCH-6 - Mandatory Spares price break-up, indicating items-wise break-up corresponding to allocated percentage of SCH-2.	
4.0	SCH-7 - Main service price break-up for various items/ systems as per prescribed format.	
4.1	For export content, price of which is included in sl no 1.0 above, but to enable issue of required documents by BHEL, bidder shall furnish details of CIF content in SCH-8.	

VOLUME-III PRICE SCHEDULE, REV-01	
DESIGN, ENGINEERING, MANUFACTURING, SUPPLY, ERECTION, COMMISSIONING ETC. OF FUEL OIL HANDLING SYSTEM & MISCELLANEOUS TANKS PACKAGE FOR 2X660 MW MAITREE STPP, RAMPAL, BANGLADESH.	
TENDER NO - PSER:SCT:KLN-M1857:17	
5.1	SCH-9 - Bidder shall provide list of Recommended spares. However, price of the same shall not be included at sl. No. 1.0 above and it shall not be considered for evaluation purpose.
6.1	Bidder shall note that while the allocated price in each schedule correspond to their respective prices, rates of various components will be worked out by apportioning the amounts wrt respective indicated quantities.
7.1	If the bidder fail to furnish break-up as per above or furnish break-up in variance to above, BHEL reserve the right to fill-in or amend break-up, as applicable, as per BHEL's discretion in line with broad frozen break-up. Decision of BHEL in this regard shall be final & binding on bidder.
8.1	Based on mode of finalisation of contract (Either through Reverse Auction or price bid opening, followed by negotiation, if any, while absolute price may change, percentage allocation as per the price schedule shall remain unchanged.
9.1	Bidder shall furnish item-wise rate/ price for special tools & tackles for maintenance as per specified list of technical specification or separately furnish item-wise rate/ price break-up gainst allocated percentage in the price scehdule. In case, bidder do not furnish any rate/ price or indicate `NA' against
10.1	Bidder shall furnish item-wise rate/ price for erection & commissioning spares as per specified list of technical specification or separately furnish item-wise rate/ price break-up against allocated percentage in the price scehdule. In case, bidder do not furnish any rate/ price or indicate `NA' against any
11.1	In case bidder do not indicate price component or indicate `NA', etc in the relevant schedule for any other items component required for completion of package, if applicable, they have to supply & execute such items, if required on detail engineering for completion of the package, at no extra cost to BHEL.
12.1	Quantity of variable items (marked *), if included, is likely to vary during detailed design & engineering stage, mainly due to change in layout/ dimension, etc. The unit rates quoted & accepted by BHEL for these items shall be considered and no separate unit rates shall be quoted. Unit rates shall be valid throughout the contract period, including extension.
13.1	Unit rate items, if included, shall not be considered for evaluation. The rates for the Unit rate items shall be applied for addition/ deletion of scope and rates shall be valid throughout the contract period, including extension.
14.1	Other optional items, if included, shall not be considered for evaluation.
15.1	BHEL reserve the right to rationalize the rates, quoted by L-1 bidder against variable items, Unit Rate items other optional items with respect to item-wise lowest rates (amongst the participating bidders), before placement of order.
16.1	BHEL shall issue requisite document, if required, for imported items, if included, limited to the CIF values furnished by bidder in the relevant schedule.
17.1	Estimated power consumption (EPC), if included, for the system (For working drives only) has been specified in relevant schedule.
18.1	Bidder's quoted GPC at the relevant schedule shall be demonstrated by successful bidder during performance testing at works/ site.
19.1	Any item as per scope of work, if not included in the price quoted above and shown separately will not be taken cognizance of and the offer shall be liable for rejection.
20.1	Price format shall not be changed by bidder in any case, since it may lead to cancellation of bidder's offer.

VOLUME-III PRICE SCHEDULE, REV-01							
DESIGN, ENGINEERING, MANUFACTURING, SUPPLY, ERECTION, COMMISSIONING ETC. OF FUEL OIL HANDLING SYSTEM & MISCELLANEOUS TANKS PACKAGE FOR 2X660 MW MAITREE STPP, RAMPAL, BANGLADESH.							
TENDER NO - PSER:SCT:KLN-M1857:17							
SCH-6 - MANDATORY SPARES							
SL NO	DESCRIPTION OF EQUIPMENT/ ITEM	QUANTITY		QUOTED COMPONENT OF ALLOCATION (IN INR)			
				UNIT BASIC PRICE	OTHER INCIDENTAL UNIT CHARGES	TOTAL UNIT PRICE	AMOUNT
(1)	(2)	(3)	(3')	(4)	(5)	(6) = (4)+(5)	(7) = (6)*(3)
BREAK-UP OF MANDATORY SPARES SUPPLY PRICE, SL NO 3.0 OF SCH-2							
1.0	MECHANICAL ITEMS						
1.1	Strainer elements						
1.1.1	LDO/HSD unloading pumps	1	No.				
1.2	Relief valve complete assembly						
1.2.1	HSD/LDO unloading pumps	1	No.				
1.3	Bearings of						
1.3.1	HSD/LDO unloading pumps	1	set				
1.4	Rotor assembly (complete cartridge assembly)						
1.4.1	HSD/LDO unloading pumps		1 no				
1.5	Coupling bolts with nuts, washer and bushes for HSD/LDO unloading pumps	1	set for each size of coupling				
1.6	Wearing rings	1	set for each type of pump				
1.7	Gland packing	1	set for each type of pump				
1.8	Mechanical seal assembly	2	sets for each HSD/LDO unloading pump				
1.9	Shaft sleeve	1	set for each type of pump				
1.10	Valves(each type and size)	1	a) Number, where the total quantity of a particular type and size of valve is less than or equal to 10.				
		2	b) Numbers, where the total quantity of a particular type and size of valve is less than 40 but more than 10				
		10	c) % of total quantity (to nearest whole number) of a particular type and size of valve , where the total quantity of a particular type and size of valve is more than 40.				
1.11	Neoprene rubber unloading hoses with end connections complete hose	10	Nos				
2	CONTROL AND INSTRUMENTATION ITEMS						
2.1	MEASURING INSTRUMENTS						
2.1.1	Electronic Transmitters						
2.1.2	Transmitter of all types and model no (for the measurement of pressure, differential pressure, flow, level etc.)	10% or 1 no. of each type and model whichever is more	% or No.				
2.1.3	Local indicators like temperature gauges, pressure gauges, differential pressure gauges, flow gauges etc.	5% or 1 no of each type, make and model	% or No.				
2.1.4	Process actuated switch devices. Includes all types of pressure, differential pressure, flow, temperature, level switch devices	5% or 1 no of each type, make and model	% or No.				
2.2	PROCESS CONNECTION PIPING (FOR IMPULSE PIPING/TUBING, SAMPLING PIPING/TUBING AS APPLICABLE)						
2.2.1	Valves	10 % or 1 no of each type, make and model	% or No.				
2.2.2	2 way, 3 way, 5 way valve manifold, as applicable	10 % or 1 no of each type, make and model	% or No.				
2.2.3	Fittings	10 % or 1 no of each type, make and model	% or No.				
2.3	ELECTRIC ACTUATORS						
2.3.1	Actuators	10 % or 1 no of each type, make, model and rating, whichever is more.	% or No.				
TOTAL PRICE (MANDATORY SPARES)							

NOTE	
1.0	Mandatory spares listed above is bare minimum requirement. In case any additional mandatory spares requirement is covered elsewhere in the tender specification, same shall be deemed to have been covered in bidders scope of supply.
2.0	Bidder may attach separate sheet to furnish detailed ite-wise break-up of mandatory spares corresponding to allocation in SCH-2, Sl. No. 3.0.
3.0	One (1) set means total numbers as required for one complete replacement for one equipment.
4.0	Other incidental charges shall include custom clearance, port handling, freights, etc. charges

VOLUME-III PRICE SCHEDULE, REV-01						
DESIGN, ENGINEERING, MANUFACTURING, SUPPLY, ERECTION, COMMISSIONING ETC. OF FUEL OIL HANDLING SYSTEM & MISCELLANEOUS TANKS PACKAGE FOR 2X660 MW MAITREE STPP, RAMPAL, BANGLADESH.
