

## TECHNICAL SPECIFICATION

Sl No.	Item description	Qty
1	Ferro Tungsten W:75-85%, C: 0.60% Max., Si: 1.00% Max. P: 0.06% Max., S: 0.05% Max. Size: 10-50mm	7000Kg

### Additional Techno Commercial Requirement

- **Deviation in Size:** Oversize material shall not exceed 10% by weight and under size material shall not exceed 5% by weight.
- **Chemical Composition:** Chemical Composition as per material description to be analysed in accordance with IS: 1559-1961 or by any established equivalent National or International Chemical method or standard.
- **Sampling:** Each batch of material shall be sampled in accordance with IS 1472:1977 or by any established equivalent National or International method or standard.
- **Test Result:** All the test results are to be rounded off as per IS 2-1960 or by any established equivalent National or International method or standard.
- **Original Manufacturer's Test Certificate required**
- **Packing:** The material shall be packed in Tamper Proof metallic drum in Manufacturer's packing. Each packing should be marked with following detail:
  - Name of material:
  - Manufacturer's Name/Trade Mark:
  - Batch No.:
  - Net Weight:
  - Date of Manufacture:
