|--------------------|---------------------------------------|------------------|
| 1                  | Main PCB                              | 5                |
| 2                  | CT PCB                                | 5                |
| 3                  | Filter PCB                            | 5                |
| 4                  | VRD Control PCB                       | 10               |
| 5                  | Voltage Divider PCB                   | 5                |
| 6                  | Protection PCB                        | 15               |
| 7                  | Current Transformer                   | 5                |
| 8                  | DC Current Sensor                     | 5                |
| 9                  | Thermostat (IGBT heat sink)           | 5                |
| 10                 | Control Transformer                   | 5                |
| 11                 | Copper plate type Output Terminal     | 10               |
| 12                 | IGBT Module                           | 10               |
| 13                 | 3 Phase Diode Bridge                  | 20               |
| 14                 | High Frequency Diode Modules          | 5                |
| 15                 | Capacitor, 0.1uF/1kV                  | 5                |
| 16                 | Capacitor, DC, 500Vac, 40uF           | 5                |
| 17                 | Capacitor - Dual Filter, 1kV, 2X27nF  | 5                |
| 18                 | Capacitor, 1kV, 4uF                   | 5                |
| 19                 | Capacitor, DC, 1uF/1kV                | 5                |
| 20                 | Electrolytic Capacitor 1000uF/450VDC  | 5                |
| 21                 | Filter Capacitors, 10nF/1000V         | 5                |
| 22                 | Single turn Potentiometer, 5k-Ohm, 3W | 10               |
| 23                 | Local/Remote Switch                   | 3                |
| 24                 | Electrolytic Capacitor 4700uF/400VDC  | 4                |
