Brief Description of Work / Scope of work

Name of work: "Civil and allied work under Vande Bharat Project."

The work comprises mainly of 2 parts:

1. Civil work for Storage of finished bogies which includes:
 - a. Size of Barricading 50 m x 15 m x 4 m.
 - b. Installation of Galvalume and transparent sheet for covering.
 - c. Structural steel works of fabrication and erection for barricading.
 - d. Other associated works.
2. Civil work for laying of rail track which includes:
 - a. Laying of three (3) tracks of 50 m length for the storage of finished bogies.
 - b. Rest of the 50 m shall be installed in New Bogie shop as per user requirement in patches.
 - c. Dismantling and reconstruction of existing floor for installation of rail tracks.
 - d. Other associated works.

Both the works are to be carried out as per the item specifications mentioned in BOQ. The quantity of items in the BOQ can vary to any extent during the execution as per actual requirement.

It is also advised that the bidder shall visit the Jhansi plant and physically see the work area in order to have visualization of the work content involved in the above works.

Civil construction work and structural steel works shall be simultaneously executed. As both activities can be carried out separately in parallel, contractor has to deploy two different teams to carry out these works simultaneously.

The above list is indicative and not exhaustive and shall include any other work not mentioned above but becomes important for successful completion of the entire work. The scope shall also include all associated & enabling works including the cost of labor, tools & tackles and materials except for those to be provided by BHEL free of cost or on chargeable basis as mentioned in the schedule.

Qualifying Requirements

1. Copy of PAN Card to be submitted.
2. Copy of PF registration.
