Bidder to fill the same as called for in the respective form(Excel Sheet enclosed to the NIT), take a print, and submit the Price Bid with seal and stamp. If Price is quoted in any other format other than the Excel Sheet enclosed to the NIT, the offer of the bidder will be rejected. Rate should be quoted in the units asked for in the enquiry. The rates should be quoted in figures in the unlocked cell of the excel sheet, and a provision is made in the excel sheet to derive the corresponding value in words.
B	In case of non-conformities/errors/discrepancies are observed between the quoted prices in figures and that in words, following guidelines are to be followed:-
(i)	In the price structure quoted, if there is discrepancy between the unit price and the total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price corrected accordingly, unless in the opinion of the tenderer, there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall be governed and the unit price corrected accordingly.
(ii)	If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected.
(iii)	If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject of (i) and (ii) above.
(iv)	If there is such discrepancy in an offer, the same shall be conveyed to the bidder with target date up to which the bidder has to send his acceptance on the above lines and if the bidder does not agree to the decision of the tenderer, the bid is liable to be ignored.
C	Bids shall be submitted in a Sealed cover with Tender No., Due date and Bidder's name indicated on the Cover. The Cover should contain both Part-I and Part -II bids, as the case may be. SN	Description
	Alternatively offers can be forwarded to tenderbox.jhs@bhel.in . before 13:15Hrs on Due date of Tender opening . Because of limitation of BHEL server the size of the attachment is to be limited to 20 MB
D	All bidders can witness the opening of the Technical Bid. After evaluation of the Technical Bid which may involve cross verification with the respective clients, and assessment of financial strength. Price bids of only those bidders who are technically found suitable will be opened on a subsequent date which will be informed, in advance, to the concerned whose Technical bid has been accepted, for witnessing the Price Bid opening.
E	Offer received after 13.15 hrs of the due date will be termed as "Late" and shall not be considered
F	BHEL reserves the right to go for Reverse Auction (RA) instead of opening the sealed envelope price bid, submitted by the bidder. This will be decided after techno-commercial evaluation. Bidders to give their acceptance with the offer for participation in RA. Non-acceptance to participate in RA may result in non consideration of their bids, in case BHEL decides to go for RA. Those bidders who have given their acceptance to participate in Reverse Auction will have to necessarily submit 'Process compliance form' (to the designated service provider) as well as 'Online sealed bid' in the Reverse Auction. Non-submission of 'Process compliance form' or 'Online sealed bid' by the agreed bidder(s) will be considered as tampering of the tender process and will invite action by BHEL as per extant guidelines for suspension of business dealings with suppliers/ contractors (as available on www.bhel.com). For further information on RA, the bidders are advised to apprise themselves with the RA guidelines available at www.bhel.com
G	Offers shall be submitted directly by the bidder or his authorized agent/representative only. Offers from any other sources shall be considered as unsolicited and shall be summarily rejected.
H	Bid in single part or techno-commercial bid in two part system (as the case may be) will be opened on the due date. In case of two part bid, price bids of techno-commercially acceptable bidder(s) only shall be opened on the assigned date, for which separate intimation will be sent to the acceptable bidders.
I	The bidder whose bid is technically not accepted will be informed & EMD wherever submitted shall be returned along with his price bid within <u>15 days</u> of contract finalization date. No interest will be payable on EMD amount. EMD shall however be forfeited in the event of bidder backing out after submission of the bid.
J	1. Any discount / revised offer submitted by a bidder on its own shall be considered, provided it is received on or before the due date and time of offer submission (Part-I). Conditional discounts shall not be considered for evaluation of tenders. 2. Unsolicited discounts / revised offers given after Part-I bid opening shall not be accepted. No change in price will be permitted within the validity period asked for in the enquiry. 3. In case of changes in scope and / or commercial terms & conditions, having price implication, techno-commercially acceptable bidders shall be asked by BHEL to submit the impact of such changes on their price bids. A suitable cut-off date and time shall be given to all the commercially acceptable bidders to submit the impact on their price bids. In case a bidder opts to submit revised price bid instead of impact called for, then their original price (i.e. previous bid) shall be necessarily opened to know the price impact. .
K	Wherever the enquiry is issued to registered contractors for the particular type of work, BHEL expects that the bidder must respond to the enquiry. Regret letter, with valid reasons for not participating in the tender will be submitted where the bidder is unable to submit offer. Repeated lack of response on the part of vendor may lead to his deletion from BHEL's list of registered contractors.
L	Offers of the Bidders who are under HOLD or are under Interim Suspension or are on the banned list (as on date of Price bid opening) and / or those bidders who engage services of such suspended / banned firms, shall be rejected. The list of firms banned by BHEL is available on BHEL web site www.bhel.com . The list of firms suspended by BHEL, Jhansi is available on www.bheljhs.co.in . The " Guidelines for suspension of business dealings with Suppliers / Contractors" is uploaded on BHEL website http://www.bhel.com/vendor_registration/vendor.php
M	In case of Open tenders all corrigenda, addenda, amendments, time extensions, clarifications etc. to the tender will be hosted on www.bhel.com and central procurement portal www.eprocure.gov.in only. Bidders responding to Open tender should regularly visit website(s) to keep themselves updated.
N	BHEL shall be under no obligation to declare a bid as lowest tender, if prima facie, it comes out that the bidder has made a desperate effort to be L1 by quoting unreasonable commission charges w.r.t. estimate which includes Financing cost (Supervisor cost, Administrative cost, Statutory liabilities, Interest, etc.) . Such offers are liable to be rejected. and the decision of BHEL shall be final and binding to the concerned bidders, for all consequences. .
O	In the course of evaluation, if more than one bidder happen to occupy L-1 status and the order is to be placed on a single vendor, effective L-1 will be decided by soliciting discounts(wherever feasible) from the respective L1 bidders.. In case more than one bidder happen to occupy the L1 status even after soliciting discounts, the L1 bidder shall be decided by, a toss / draw of lots, in the presence of the respective L1 bidder(s). BHEL's decision in such situations shall be final and binding to all the concerned bidders, for all consequences

B	Price Bids will be opened or participation in Reverse auction will be allowed to only Techno-Commercially accepted bidders.
C	Evaluation of the tender shall be on the basis of delivered cost, i.e. 'total cost to BHEL' w.r.t the finalized technical scope and commercial conditions after considering, inter alia, Taxes and Duties, if any.
D	The contractor shall be awarded the work on overall L-1 basis, if otherwise not specified in the tender document.
V	Pricing Terms
	While quoting the price , the bidder must keep in view the prevailing applicable minimum wages of the Government of UP. It is the responsibility of the bidder to educate himself about all obligations to be performed under the contract, the financing cost, supervisory cost, administrative expenses, Statutory liabilities, etc. and then submit the price accordingly. Wherever evaluation is for each item, Price quoted will be on " Rs. / Unit of measurement' basis. Wherever evaluation is for total package, Price quoted will be on " lumpsum basis' basis, wherein the 'item rate ' will be calculated on %age allocation basis for each item .
VI	Price Validity :
	Unless stated otherwise in the enquiry, offer shall be valid for a period of 120 days from the date of Techno- commercial (Part-I) bid opening date.
VII	Validity of Contract
	The contract will commence on the date as applicable against the contract and shall be valid as per the validity period of the contract. The contract can be extended further on mutual agreement, for a mutually agreed period, on same terms, conditions and rates. Once the contract is finalized, the rates agreed upon shall be valid for the period of contract as stipulated in the tender. In case the contract is for a period of two years, on successful completion of work after one year, the Contract may be extended for a period of one more year, The Contractor is bound to execute the contract during the second year, without any demur. If the contractor fails to execute the contract during the second year, BHEL reserves the right to execute the contract through alternate sources at the risk and cost of the Contractor and the Company reserves the right to take appropriate action against the Contractor. In case of an adverse feedback on the Contractor during the first year, BHEL may take necessary action to award the contract on alternate sources at the risk and cost of the Contractor
VIII	Contractor's obligations
A	Towards selection, control and supervision of employees

1.2	Records/Documents: In order to establish the Risk & Cost case, Execution Group should maintain proper records right from the scheduled/actual date of start of Contract, whichever is earlier. Following records, as applicable w.r.t. above cases, may be referred for taking decision: i) Monthly Plan & Review Record ii) Delay analysis (necessary in case Risk & Cost is being imposed on account of delays attributable to contractor/ supplier) iii) Supporting Correspondence with Contractor/ Supplier bringing on record delay/non-performance/withdrawal from work/non-compliance with contractual conditions etc. iv) Minutes of Meetings held with Contractor/ Supplier v) Any other documents establishing the applicability of relevant sub-clause(s) of clause 1.1 for the invocation of risk & cost action.
1.3	Contractual Letter to Contractor/ Supplier: Department responsible for Subcontracting/ Purchase shall call Contractor/ Supplier for a meeting with all concerned groups (Execution group, PMX/ Indenting group, Region HQ/Unit Finance) in case non-performance/default etc. of Contractor/ Supplier as stated in sub-clause 1.1 is reported by the Execution group/indenter. In case of contracts awarded by Sites, the activities/roles defined in these guidelines shall be carried out by departments/groups at site responsible for carrying out the relevant activities. In this meeting, case(s) reported by Execution group shall be discussed in detail. Contractor/ Supplier will be asked to take corrective measures within stipulated timelines failing which contractual provision for withdrawal of portion of balance work/ supply or termination of Contract at the Risk & Cost of Contractor/ Supplier may be invoked. MOM of above meeting, duly signed by BHEL and the Contractor/Supplier shall be kept as a record. A Contractual Letter duly vetted by Unit/Region Law shall be issued to Contractor/ Supplier forthwith bringing out the proceedings in the meeting as per the MOM. In the event Contractor/ Supplier does not report for the meeting or refuses to sign the MOM, this fact should be recorded in the Contractual Letter. 'Contractual letter' shall be issued by department responsible for Subcontracting/ Purchase to the Contractor/ Supplier, indicating the deficiencies observed, the corrective actions required, time frame for the corrective actions and rights of BHEL to terminate the Contract or withdrawal of portion of balance work/ supply at the Risk & Cost of Contractor/ Supplier as per provision of Contract. Note: In case a contractor/supplier is put under 'Banning across BHEL' as per Guidelines for Suspension of Business Dealings, the need for issuing Contractual Letter and Notice (as per clause 3.1) is

	eliminated. In this case, Contract may be terminated by issuing Termination Letter with the approval of Competent Authority, unless approval for continuance of existing contract is taken in line with Clause 5.2.1 of the Guidelines for Suspension of Business Dealings. Further process of retendering at Risk & Cost shall be followed.
1.4.	Performance Monitoring: Post issue of contractual letter/Signed MOM, performance of the Contractor/ Supplier shall be monitored and record shall be maintained by execution group in-line with Contractual Letter to check whether adequate and effective corrective measures have been taken by the Contractor/ Supplier. Department responsible for Subcontracting/ Purchase shall be informed regarding performance of contractor/ supplier during this period by the execution group/indenter.
1.5.	Immediately after issue of Contractual Letter/signed MOM under clause 1.3, after considering all the aspects, on a case to case basis, process of Tendering for balance work and Termination of existing contract or withdrawal of portion of balance work, should be initiated in parallel, in order to save time in case performance of Contractor/ Supplier does not improve to required level and termination of contract or withdrawal of portion of balance work/ supply becomes necessary.
2.	TENDERING FOR BALANCE WORK
2.1.	Administrative Approval: a) Based on the above records, "NOTE" will be initiated by concerned Execution Group or PMX/ Indenting Group for approval of Competent Authority for - i). Issue of 14 days Notice (as per clause 3.1) to the Contractor/ Supplier in line with contractual provisions. However, in case of urgency or otherwise this period can be reduced or increased for recorded reasons with the approval of Competent Authority, given in sub-clause (c) below. - and - ii). Inviting new tender for balance work in parallel to keep alternate Contractor/ Supplier ready on 'Risk & Cost' basis of the existing Contractor/ Supplier. The Note shall be initiated /routed through Execution Group, PMX/ Indenting Group & Subcontracting/ Purchase/ MM Department. b) Apart from normal requirements for such administrative approvals, the note to include following additional aspects: - i). List of balance work/ supply - ii). <u>Value of balance work/ supply</u>: Value of balance work/ supply shall be calculated as per the latest rates which were being paid to the contractor/ supplier at the time of

	termination of contract i.e. inclusive of PVC & ORC, as applicable & payable as per contractual provisions. iii). Tentative estimate for balance work/ supply. c) Competent authority for approval of such note shall be “one level higher than the authority who approved the Contract including amendments thereto, against which risk & cost is being proposed” or “authority competent for administrative & technical approval for new tender” as per applicable Works/Purchase Policy, whichever is higher, limited to Unit Head.
2.2.	New Indent on account of risk & cost: After the above administrative approval, New Indent shall be raised by PMX/ indenting group for balance work and additional quantities. Additional quantities shall comprise quantities which are not part of balance scope of work and quantities due to additional scope, if any. These additional quantities should also be shown separately in the indent to have clarity while calculating differential cost on account of risk & cost.
2.3.	New Tender: Activities of ‘new tender’ may include: - Preparation of New Tender shall be done by department responsible for Subcontracting/ Purchase, based on the indent raised by PMX/ indenting group. - The tender document shall contain “status of the work/ supply (i.e. already completed and the balance to be completed) and other specific clauses related to guarantee, statutory compliance etc. Guarantee/Warranty for the work/ supply already completed, shall also be the responsibility of the new contractor/ supplier. (Terms of the new tender shall be made accordingly.) Thus, Guarantee/ Warranty of entire package/ job shall become the responsibility of new contractor/ supplier. However, in case executed work/ supply is independent of balance work/ supply, Guarantee/Warranty for executed work/ supply shall remain with the existing contractor/supplier and for balance work/ supply shall be with new contractor/ supplier. - The new tender document shall, as far as practicable, contain clauses (especially those which might have bearing on prices/rates) similar to existing contract so that the scopes/terms may be easily compared for better understanding and facilitate substantiation of recoveries, in case required even in any subsequent legal proceedings. ‘New Tender’ shall include suitable clause to address that existing contractor/ supplier (*) whose ‘balance work’ is being withdrawn/terminated, shall not be eligible to quote in this tender. * Existing Contractor/Supplier will include:

	i). In case existing contractor/supplier is The Sole Proprietorship Firm, any Sole Proprietorship Firm owned by same Sole Proprietor. ii). In case existing contractor/supplier is The Partnership Firm, any firm comprising of same partners/ some of the same partners (but not including any new partner); or sole proprietorship firm owned by any partner(s) as a sole proprietor. e) Tendering Process including evaluation of new tender, obtaining customer approval (if required), Negotiation (if required) and bringing tender to awarding stage shall be in line with extant Works/Purchase Policy and applicable guidelines thereto. Note: i). Department responsible for Subcontracting/ Purchase should inform to existing contractor/ supplier through a letter regarding floating of 'new-tender'. ii). In case it is expected that existing contractor/ supplier may approach court for obtaining stay against floating New Tender, suitable Caveat may be filed in Court of competent jurisdiction before informing to the contractor/ supplier.
3.	TERMINATION OF CONTRACT OR WITHDRAWAL OF PORTION OF BALANCE WORK/ SUPPLY
3.1.	Notice: Based on the feedback from Execution group regarding performance of contractor/ supplier as per clause 1.4, Notice duly vetted by Unit/Region Law may be issued by department responsible for Subcontracting/ Purchase to non-performing contractor/ supplier in-line with contractual clause. The Notice shall contain specified time {as per administrative approval in line with clause 2.1 a) i)} for taking corrective measures including but not limited to completion of specified work/supply and further state that if work/supply is not completed and/or specified corrective measures are not taken within the said time, BHEL shall terminate the Contract or withdraw portion of balance work/ supply in line with contractual provisions. The Notice shall be served on the contractor/ supplier through email and also by registered post/ speed post. Copy of Notice shall be sent to all concerned like Execution group, PMX/Indenting group, Region HQ/Unit Finance, Unit/ Region Law etc. Note: i). Notice period mentioned in Notice issued to contractor/supplier cannot be extended as time is the essence of the contract for the purpose of risk & cost action. Extension of Notice shall be deemed as withdrawal of notice.

	ii). Timing for issue of Notice should be such that by the time such notice period ends, tender process for balance work/ supply also gets finalized up to awarding stage. iii). In case it is expected that existing contractor/ supplier may approach court for obtaining stay against Notice, a Caveat may be filed in Court of competent jurisdiction before issuance of notice to the contractor/ supplier.
3.2.	Performance Monitoring during Notice Period: Performance of the Contractor/ Supplier shall be closely monitored and recorded by Execution group during above mentioned 'Notice Period' as given in the aforementioned Notice.
3.3.	Approval for Termination of Contract or Withdrawal of portion of balance work/ supply: If the contractor/ supplier does not complete the specified work/supply within the Notice Period, Execution group shall initiate 'NOTE', seeking approval for withdrawal of portion of balance work/ supply or termination of Contract and engaging new contractor/ supplier at 'Risk & Cost' of the existing contractor/ supplier. The "NOTE" shall be routed through Execution group, PMX/ Indenting Group, Subcontracting/ Purchase/ MM department and Finance before putting to Competent Authority for approval. Competent authority for approval of such note shall be as per clause 2.1 (c). The note may, inter-alia include following details: i) Tentative value of balance work/ supply in line with clause 5.1 ii) Tentative Risk & Cost amount as per clause 5.1 considering estimated rates for new Contract iii) Other tentative recoveries (e.g. Amount of unadjusted advance, recoveries towards material/T&P or any other recovery, wage & other statutory payments to contractor's workers already made/to be made by BHEL etc.) iv) Dues of contractor/ supplier, if any available with BHEL (e.g. SD, retention amount, other BGs, payments due but not paid etc.) v) Tentative Recovery plan for Risk & Cost amount and other liabilities, after adjusting the dues.
3.4.	Issue of Letter for Termination of Contract or Withdrawal of portion of balance work/ supply: On approval of NOTE as per 3.3 above, letter for 'Withdrawal of portion of balance work/ supply' or 'Termination of Contract' shall be issued to contractor/ supplier by department responsible for Subcontracting/ Purchase through email and also by registered post/speed post, clearly stating that: i) Balance work/ supply shall be got done at their risk and cost, which shall be recovered from them out of dues of this contract, any other contract with BHEL and balance amount, if any shall be required to be deposited by them. ii) Contractor/ Supplier is required to jointly measure with BHEL, the quantum of work/ supply executed till date to calculate the balance work/ supply yet to be executed and reconcile

	issued material within 15 days. In case Contractor/ Supplier fails to do so or does not turn up for the measurement, BHEL shall finalise the same and will inform the Contractor/ Supplier. iii) In case of termination of contract, it is the responsibility of the Contractor/ Supplier to submit final bill along with all required supporting documents. iv) Risk& Cost amount including other recoveries shall be finalized and informed after award of contract to new contractor/ supplier. Note: The acknowledgement receipt/ proof of dispatch is to be kept as record.
3.5.	In case of termination of contract, any payment due to the contractor/ supplier against concerned contract shall be withheld pending finalization of the recoveries from the contractor/ supplier. Subsequent to finalization of recoveries from contractor/ supplier action shall be taken for recovery in line with clause 6.
4.	AWARDING OF CONTRACT FOR BALANCE WORK/SUPPLY ON RISK & COST BASIS
4.1.	Awarding of new Contract for balance work/supply shall be done only after Withdrawal of portion of balance work/ supply or Termination of existing Contract as the case may be. Where Risk & Cost option is exercised by withdrawing only a portion of balance work/ supply, necessary amendment to old Contract shall be issued immediately after award of new Contract and recoveries effected from contractor/supplier. After award of new Contract, the Contractor/Supplier should be informed in parallel that a new Contract has been awarded. In case the risk and cost amount recoverable is known, at that time, the same should necessarily be informed to the Contractor/Supplier. In any case, whenever the amounts are crystallized, the said recoverable amounts should be informed to the Contractor/Supplier at the earliest and without inordinate delay.

5.	RISK & COST
5.1.	Risk and Cost against Balance Work: Risk & Cost Amount= $[(A-B) + (A \times H/100)]$ Where, A= Value of Balance scope of Work/ Supply (*) as per rates of new contract B= Value of Balance scope of Work/ Supply (*) as per rates of old contract being paid to the contractor/ supplier at the time of termination of contract i.e. inclusive of PVC & ORC, if any. H = Overhead Factor to be taken as 5 In case (A-B) is less than 0 (zero), value of (A-B) shall be taken as 0 (zero). *(Balance scope of work/ supply) Difference of Contract Quantities and Executed Quantities as on the date of issue of Letter for 'Termination of Contract', shall be taken as balance scope of Work/ Supply for calculating risk & cost amount. Contract quantities are the quantities as per original contract. If, Contract has been amended, quantities as per amended Contract shall be considered as Contract Quantities. Items for which total quantities to be executed have exceeded the Contract Quantities based on drawings issued to contractor from time to time till issue of Termination letter; then for these items total Quantities as per issued drawings would be deemed to be contract quantities. Substitute/ extra items whose rates have already been approved would form part of contract quantities for this purpose. Substitute/ extra items which have been executed but rates have not been approved, would also form part of contract quantities for this purpose and rates of such items shall be determined in line with contractual provisions. However, increase in quantities on account of additional scope in new tender shall not be considered for this purpose. NOTE: Incase portion of work is being withdrawn, contract quantities pertaining to portion of work withdrawn shall be considered as 'Balance scope of work/supply' for calculating Risk & Cost amount.
5.2.	LD against delay in executed work/supply in case of Termination of Contract

	LD against delay in executed work/supply shall be calculated in line with LD clause of the contract for the delay attributable to contractor/ supplier. For this purpose, contract value shall be taken as Executed Value of work/supply for the purpose of limiting maximum LD value. Method for calculation of “LD against delay in executed work/supply” is given below. i) Let the time period from scheduled date of start of work till termination of contract excluding the period of Hold (if any) not attributable to contractor/ supplier= T1 ii) Let the value of executed work/supply till the time of termination of contract= X iii) Let the Total Executable Value of work/supply for which inputs/fronts were made available to contractor/ supplier and were planned for execution till termination of contract = Y iv) Delay in executed work/supply attributable to contractor/supplier i.e. $T2 = (1 - \frac{X}{Y}) \times T1$ v) LD shall be calculated in line with LD clause of the Contract for the delay attributable to contractor/ supplier taking “X” as Contract Value and “T2” as delay attributable to contractor/ supplier. Note: Incase portion of work/supply is withdrawn, no LD shall be applicable for portion of work/supply withdrawn.
6.	PROCESS FOR RECOVERIES
6.1.	The following sequence shall be applicable for recoveries from contractor/ supplier on whom risk & cost has been invoked, after informing the Contractor/Supplier of the total proposed recovery: a) Dues available in the form of Bills payable to contractor/ supplier, SD, BGs against the same contract. b) Demand notice for deposit of balance recovery amount to be sent to contractor/ supplier, if funds are insufficient to effect complete recovery against dues indicated in (a) above. In case it is expected that contractor/ supplier may approach court for obtaining stay against recovery of Risk & Cost, Caveat before Court of competent jurisdiction may be filed. c) If contractor/ supplier fails to deposit the balance Risk & Cost amount as per (b) above within the period as prescribed in demand notice, following action shall be taken for balance recovery: - i). Dues payable to contractor/ supplier against other contracts in the same Region/Unit shall be considered for recovery. The respective contractual conditions must contain a clause giving BHEL the right to set off amounts due under the respective contracts from payments outstanding from the other contract. It may be noted that payment against running bills for such other Contracts shall be released only against the specific approval of Unit Head with

	recorded reasons in the interest of project and after recording alternate effective and implementable means of recovery. However, no deferment of recovery shall be permitted against Final Bills/ SD/ BGs due for payment/ release to Contractor/ Supplier. ii). If recovery cannot be made out of dues payable to the contractor/ supplier as above, balance amount to be recovered, shall be informed to other Regions/Units for making recovery from the Unpaid Bills/Running Bills/SD/BGs/Final Bills of contractor/ supplier. The respective contractual conditions must contain a clause giving BHEL the right to set off amounts due under the respective contracts from payments outstanding from the other contract. It may be noted that payment against Unpaid Bills/ Running Bills shall be released by other Unit/ Region only against the specific approval of Unit Head with recorded reasons in the interest of project/ work and after recording alternate effective and implementable means of recovery. However, no deferment of recovery shall be permitted against Final Bills/ SD/ BGs due for payment/ release to Contractor/ Supplier. iii). In-case recoveries are not possible with any of the above available options, Legal action shall be initiated for recovery against contractor/supplier. Note: While taking decision for effecting or deferment of the recovery, concerned Unit/ Region to take into account the limitation period prescribed in the law of limitation. It shall be ensured in consultation with Unit/ Region Law that the claim does not get time barred.
6.2.	Subcontracting/ Purchase Group of Region/Unit shall also share information in details with Subcontracting-Heads/ MM-Heads of all Regions/ Units with regard to invoking Risk & Cost clause for the particular contractor/ supplier.

Risk and Cost Clause of General Conditions of Contract (GCC) shall be suitably revised/reframed in line with this SOP.
