

TECHNICAL SPECIFICATION

ITEM 1

Part number 8-6569.

6B Gas Distributor, 4 Holes (Includes item #9)

Application details:

As a spare in 6B Main Body Assembly (Straight Line) - Part number 8-6577

ITEM 2

Part number 8-6571.

6B Liner Assembly (Includes items #10 & 11)

Application details:

As a spare in 6B Main Body Assembly (Straight Line) - Part number 8-6577.

ITEM 3

Part number 8-6578.

Electrode, N2 (General Purpose)

Application details:

As a spare in 6B Main Body Assembly (Straight Line) - Part number 8-6577.

ITEM 4

Part number 8-6586. Electrode, Metal Seat, N2 (Lo-Amp)

Application details:

As a spare in 6B Main Body Assembly (Straight Line) - Part number 8-6577.

ITEM 5

Part number 8-6648. Tip (Includes items #10 and 12) 150 Amps, 0.076" Orifice

Application details:

As a spare in 6B Main Body Assembly (Straight Line) - Part number 8-6577.

ITEM 6

Part number 8-6514. Insulator, Nose Piece

Application details:

As a spare in 6B Main Body Assembly (Straight Line) - Part number 8-6577.

ITEM 7

150 A Part Number - 21-1048 Shield Cap

As a spare in Thermal Dynamics Plasma XT Torch Head Assembly (Part Number - 21-1002)

ITEM 8

150 A Part Number - 21-1278 Shield Gas Distributor

As a spare in Thermal Dynamics Plasma XT Torch Head Assembly (Part Number - 21-1002)

ITEM 9

150 A Part Number - 21-1092 Tip

As a spare in Thermal Dynamics Plasma XT Torch Head Assembly (Part Number - 21-1002)

ITEM 10

150 A Part Number - 21-1041

Plasma Gas Distributor

As a spare in Thermal Dynamics Plasma XT Torch Head

ITEM 11

150 A Part Number - 21-1081 Electrode

As a spare in Thermal Dynamics Plasma XT Torch Head

ITEM 12

Part number 8-6572. Tip (Includes items #10 and 12) 400 Amps, 0.125" Orifice

Application details:

As a spare in 6B Main Body Assembly (Straight Line) -Part number 8-6577.

Pre-Qualification Criteria

Authorization Document or Email Authorization is required along with offer (if offer is quoted by non-manufacturer).
