## RECHG.EMERG. HANDHELD TORCH-5W, LED - SP2004600041

	BHEL's	Bidder's	Remarks
	Requirement	Response	
Wattage of lamp	5W		
Lamp	LED		
Туре	Hand Held Search		
	Light (HHSL)		
Application	Emergency Lighting		
Battery capacity	4000 mAh		
Dia. of search light	50 to 75 mm		
CCT	5500 to 6500°K		
Type of Battery	Lithium ion		
Housing material	ABS		
Warranty of HHSL	1 Year (Li-ion battery)		
Continuous search	>= 3Hours		
- '			
	>= 8 meters		
of search light			
Protection	against voltage		
	surge		
Charging mode	USB & Power Cord		
	Lamp Type  Application Battery capacity Dia. of search light CCT Type of Battery Housing material Warranty of HHSL Continuous search light operation time at maximum lumen output Effective distance of search light Protection	Wattage of lamp Lamp Lamp LED Type Hand Held Search Light (HHSL) Application Battery capacity Dia. of search light CCT 5500 to 6500°K Type of Battery Housing material Warranty of HHSL Continuous search light operation time at maximum lumen output Effective distance of search light Protection  LED  Hand Held Search Light (HHSL)  A000 mAh  50 to 75 mm  CLIT  5500 to 6500°K  Type of Battery Lithium ion ABS  Year (Li-ion battery)  >= 3Hours  >= 3Hours  >= 8 meters  of search light  Protection  against voltage surge	Wattage of lamp Lamp LED Type Hand Held Search Light (HHSL) Application Battery capacity Dia. of search light CCT 5500 to 6500°K Type of Battery Housing material Warranty of HHSL Continuous search light operation time at maximum lumen output Effective distance of search light Protection  LED  SW Hand Held Search Light (HHSL)  A000 mAh  50 to 75 mm  CCT 5500 to 6500°K  Type of Battery Lithium ion ABS  Varranty of HHSL 1 Year (Li-ion battery) >= 3Hours  SHOUTS  SHOUTS  ABS  Warranty of HHSL  SHOUTS  SHOUTS

## Note to Supplier:

- 1. Supplier shall duly fill and submit the specification sheet corresponding to each sl.no. in bidder's response without fail.
- 2. Offered HHSL data sheets shall be submitted along with the offer for technical evaluation.
