

SPECIAL INSTRUCTIONS TO THE BIDDERS

1. Bidders can visit the site (BHEL Works) and understand fully the requirements of the tender and the product where their offered components are to be used before submitting their offer. The offers once submitted would be treated as final.
2. Any clarifications on the clauses and the product must be obtained before the offer is submitted. Bidders to note that no changes in the prices will be permitted after the due date (ie the date of submission of the technical bid) unless and otherwise specifically asked for by BHEL.
3. Bidders to sign each page of this checklist and the attachments – Terms and conditions as well as the specifications BA35016 and submit along with the technical bid. All the attachments (annexures) must also be filled up and enclosed. **In the technical bid, the prices of the items should be kept blank, however all the applicable taxes and duties should be filled up as % of the base price.**
4. Any intentional or unintentional disclosure of the item price in (with) the technical bid will be at risk of the bidder.
5. Signature on any page will be considered as acceptance to all the terms and conditions laid down in the specific page.
6. Supplier should not make any changes in the Column depicting the required terms and conditions, of this document or any document attached as a part of this enquiry. Any comments/ deviations should be brought out in the remarks column (separate sheet with linked reference may be added if necessary). Any change in the clauses of BHEL Documents, if made, would not only be treated as null and void but also would be considered as tampering the documents and might attract penal action.
7. In case a comments/deviation is required in any clauses of the technical documents, it must be brought out as a footnote while signing the page or in an annexure, referred to in the footnote. The clause and the deviations required must be clearly brought out in an unambiguous manner along with a justification to substantiate the need for the deviation requested.
8. BHEL reserves the right to accept or reject the deviations proposed. In case BHEL rejects the deviation, no price alteration would be permitted. In case a deviation is accepted, it might be converted in terms of a financial loading on the bid at the discretion of BHEL. The bidder would be informed accordingly before the Price Bid opening/ Reverse Auction. The bidder will be permitted to withdraw the deviation. No response on the information would be treated as the acceptance of the loading.
9. In case of any adverse feed-back from the end customers, BHEL reserves the right to disqualify the bidder.
10. **Bidders must note that the data whenever requested and thereby submitted must be strictly for the Grinding Rolls and Bull Ring segments used in Vertical axis medium speed Coal Pulveriser of Raymond type in thermal power station, as referred to in this enquiry.**
11. **The Set of Inserts and Bull Ring segments referred in this enquiry would mean the quantity required for one (Three Grinding Roll) Mill requirement, i.e. the number of inserts would be sufficient to manufacture three numbers of grinding Rolls and the Bull ring segment set would be sufficient to line one Bowl of BHEL's Raymond type coal pulverising bowl Mills.**
12. The Clauses marked as ** need not be submitted for the bidders that had been qualified for the Open tender K5B1L85377 or K5B1L48854 (BHEL NIT Nos NIT_11799 and NIT_11800). However the responses are to be entered in the respective columns
13. Pre-bid and pre-tender discussions are advised before submitting the tender documents. The interested suppliers has to submit the list of required (indicating the mandatory) equipment and instruments before or during the pre-bid discussion, in which the existing BHEL facilities too would be discussed. The techno-commercial viability of the required instrument and equipment list would have a bearing on the acceptance of the bid by BHEL. BHEL's decision during the

meeting would be final on this aspect. The list finalised during the discussion would be treated as final for the actual bid submission as well as the contract execution.

14. **The supplier must agree to enter the contract for all the four stages as defined in the specification BA35016. Unless the bidder accepts in writing the bid will not be considered.**
15. The price quoted should be strictly in the format given. The cost of the technical assistance that is envisaged should be built up in the prices of the components and **should not be given separately** either as a monetary value or as a percentage or fraction value of the component/ assembly/ sub-assembly prices.

- 5) Before RA starts each of the individual bidders would be informed of their loading factors, in form of Multiplication factors or MF, for their acceptance.
- 6) Bidders must respond in case of any query/non acceptance of these factors, or a part thereof, at least 3 hours before the RA schedule. Non response will be construed as acceptance of the factor and negative response after the deadline will be treated as attempt to sabotage the tendering process.
- 7) In case of Reverse Auction, all the details, in a signed copy with the final bid and the break-ups would be submitted by the successful bidder within 24 hours of the successful completion of the auction to BHEL through the service provider including individual cost break-ups (Annexures I to III of this document) as per the Reverse Auction Guide lines provided through the service provider.

INTEGRITY PACT:

- 1) The Integrity Pact jointly signed by the bidder and authorised official of BHEL at the tendering stage will form part of the final contract.
- 2) The pro-forma of the integrity pact is issued along with the bidding document and shall be returned along with the technical bid duly signed by the same signatory who is signing the bid, and is duly authorised to sign the bid. All the pages of the integrity pact must be signed by the above mentioned signatory. Failure to enclose the duly signed integrity pact along with the bid document is likely to lead to outright rejection of the bid.
- 3) If the bidder is disqualified from the tender process prior to award of the contract according to the provisions under the integrity pact BHEL shall be entitled to demand and recover from bidder the liquidated damages as per the provisions of the Integrity Pact.
- 4) If the contract is terminated according to the provisions of the Integrity Pact or if BHEL is entitled to terminate the contract according to the provisions of the Integrity Pact, BHEL shall be entitled to demand and recover from bidder the liquidated damages as per the provisions of the Integrity Pact from the pending bills/ bank guarantees or security deposits.
- 5) The bidders that had been disqualified due to violation of the Integrity Pact during the tender process or during the operations of the contract will be subject to actions as per the relevant BHEL business rules in force AA/MM/SB/01 “Suspension of business dealings with suppliers/ contractors” which could include termination of whole or part of the contract along with other punitive measures.

INDIAN AGENTS OF FOREIGN BIDDERS:

- 1) BHEL shall deal directly with the Original manufacturer. However if the foreign principal desires to avail the services of an Indian Agent, then the foreign principal should ensure the compliance to regulatory guidelines, which requires mandatory submission of an agency agreement.
- 2) It shall be incumbent on the Indian Agent and the Foreign principal to adhere to the relevant guidelines of Government of India, issued from time to time.
- 3) The agency agreement should specify the precise relationship between the foreign OEM / foreign principal and their Indian agent and their mutual interest in the business. All services to be rendered by agent/ associate, whether of general nature or in relation to the particular contract, must be clearly stated by the foreign supplier/ Indian agent. Any payment, which the agent or associate receives in India or abroad from the OEM, whether as commission or as a general retainer fee should be brought on record in the Agreement and be made explicit in order to ensure compliance to laws of the country.
- 4) Any agency commission to be paid by BHEL to the Indian agent shall be in Indian currency only.
- 5) Indian Agency Commission, if any, (payable in Indian Rupees) is to be specified in terms of percentage of PO value. It will be payable at the exchange rates prevailing on the date of technical bid opening.

Bidders, taking deviations from the specified conditions, may indicate the same clearly in deviation column with reasons for such deviation. However, in case of deviation, BHEL reserves the right to reject the offer or load the Bid suitably for evaluation.

- 6) Tax deduction at source is applicable to the agency commission paid to the Indian agent as per the prevailing rules.
- 7) In the absence of any agency agreement, BHEL shall not deal with any Indian agent (authorized representatives / associate / consultant, or by whatever name called) and shall deal directly with the foreign principal only for all correspondence and business purposes.
- 8) Registered agents will file an authenticated Photostat copy duly attested by a Notary Public/Original certificate of the Principal confirming the agency agreement and giving the status being enjoyed by the agent and the commission/ remuneration/ salary/ retainership being paid by the principal to the agent before the placement of order by BHEL.
- 9) Wherever the Indian representatives have communicated on behalf of their principals and the foreign parties have stated that they are not paying any commission to the Indian agents, and the Indian representative is working on the basis of salary or as retainer, a written declaration to this effect should be submitted by the party (i.e. Principal) before finalizing the order.
- 10) Tenderers of Foreign nationality shall furnish the following details in their offers:
 - a) The name and address of the agents/ representatives in India if any and the extent of authorization and authority given to commit the Principals. In case the agent/ representative be a foreign Company, it shall be confirmed whether it is existing Company and details of the same shall be furnished.
 - b) The amount of commission/ remuneration included in the quoted price(s) for such agents/ representatives in India.
 - c) Confirmation of the Tenderer that the commission/ remuneration, if any, payable to his agents/ representatives in India, may be paid by BHEL in Indian Rupees only.
- 11) Tenderers of Indian Nationality shall furnish the following details in their offers:
 - a) The name and address of the foreign principals, if any, indicating their nationality as well as their status, i.e. whether manufacturer or agents of manufacturer holding the Letter of Authority of the Principal specifically authorizing the agent to make an offer in India in response to tender either directly or through the agents/ representatives.
 - b) The amount of commission/ remuneration included in the price (s) quoted by the Tenderer for himself.
 - c) Confirmation of the foreign principals of the Tenderer that the commission/ remuneration, if any, reserved for the Tenderer in the quoted price(s), may be paid by BHEL in India in equivalent Indian Rupees on satisfactory completion of the Project or supplies of Stores and Spares in case of operation items.
 - d) In either case, in the event of contract materializing, the terms of payment will provide for payment of the commission/ remuneration, if any payable to the agents/ representatives in India in Indian Rupees on expiry of 90 days after the discharge of the obligations under the contract.
 - e) Failure to furnish correct and detailed information as called for in above clauses will render the concerned tender liable to rejection or in the event of a contract materializing, the same liable to termination by BHEL. Besides this there would be a penalty of banning business dealings with BHEL or damage or payment of a named sum.
- 12) The supply and execution of the Purchase Order (including indigenous supplies/ service) shall be in the scope of the OEM/ foreign principal. The OEM/ foreign principal should submit their offer inclusive of all indigenous supplies/ services and evaluation will be based on 'total cost to BHEL'. In case OEM/ foreign principal recommends placement of order(s) towards indigenous portion of supplies/ services on Indian supplier(s)/ agent on their behalf, the credentials/ capacity/ capability of the Indian supplier(s)/ agent to make the supplies/ services shall be checked by BHEL as per the extant guidelines of Supplier Evaluation, Approval & Review Procedure (SEARP), before opening of price bids. It will be the responsibility of the OEM/ foreign principal to get acquainted with the evaluation requirements of Indian supplier/ agent as per SEARP available on www.bhel.com.

Bidders, taking deviations from the specified conditions, may indicate the same clearly in deviation column with reasons for such deviation. However, in case of deviation, BHEL reserves the right to reject the offer or load the Bid suitably for evaluation.

- 13) The responsibility for successful execution of the contract (including indigenous supplies/ services) lies with the OEM/ foreign principal. All bank guarantees to this effect shall be in the scope of the OEM/ foreign principal.
- 14) The offers of the bidders that are on the banned list as also the offers of the bidders, who engage the services of the banned firms, shall be rejected. The list of banned firms is available on BHEL website, www.bhel.com.
- 15) In any tender either the Principal/OEM or the Agent can bid but both cannot bid simultaneously in the same tender. Violation of these clause may attract penalty of banning business dealings with BHEL
- 16) If an agent submits bid on behalf of the Principal/OEM, the same agent shall not submit a bid on behalf of another Principal/OEM in the same tender. Violation of these clause may attract penalty of banning business dealings with BHEL
