Cargo is non- Hazardous.

Cargo shall be moved on full container load (1X 40' FR) only and in one lot only.

The scope of work covers the following:

1) Unloading and storage of Cargo at CFS:

- a) The entire cargo will be shipped in one lot in 01 X 40' FR Containers arranged by shipping agent of customer.
- b) Contractor has to file Shipping Bill on behalf of BHEL before arrival of cargo to avoid detention of vehicle at CFS. Contractor has to file SB in consultation with BHEL and provide checklist for approval before filing shipping bill.
- c) Arrange for receiving and unloading of the cargo arrived through BHEL/BHEL Supplier's transporter at their CFS.
- d) Issue proper receipt to BHEL/BHEL Supplier's transporter for cargo received after proper inspection of packages.
- e) Contractor has to arrange CFS for storage of material and share CFS details to BHEL for dispatch of Goods. Contractor has to provide 14 days storage period at CFS and cost if any for 14 days of storage to be included in offered price. For storage beyond 14 days, payment of storage charges will be reimbursed as per published tariff of CFS. It is contractor's responsibility to arrange published tariff for processing reimbursement bills.
- f) The contractor has to ensure the safety of cargo in his custody and keep proper record of arrival and dispatch of cargo to /from the CFS and send updates to BHEL via email giving details of the packages/ original documents received.

2) Custom clearance of Cargo:

- a) Contractor has to arrange for export customs clearance and providing necessary endorsed documents of export (EP/ EC copy of S/Bills, SDF etc. if applicable) including processing of drawback claim (if any) and ensure the same is received by

BHEL in their bank account, overtime formalities, etc. of the materials at load port and do all activities in course of the same. The export checklist has to be got approved from BHEL before uploading in ICEGATE.

- b) Contractor to inform BHEL sufficiently in advance the input documents required for Export customs clearance.

3) Handling and Stuffing:

- a) Collection of DO for container and arrange loading and transportation of empty container from shipping line agent CFS/empty container yard to CFS nominated by contractor will be in contractor scope.
- b) It is contractor's responsibility to ensure collection of 01 X 40 FR container in close coordination with shipping line agent.
- c) Contractor to ensure that the empty container is fully inspected on the exterior and interior. Container must be found suitable for loading of the goods with respect to cleanliness, dryness, free of odour, free of crack, proper closing and proper rubber seals, interior/exterior paint and wooden floor being reasonably intact, no hole/potential leakages. Ensure that Lashing eyes are provided on the longitudinal beams on the floor, roof and corner posts.
- d) Contractor to take all the necessary permissions from the relevant agencies at CFS for carting of cargo. The contractor is free to choose the CFS stuffing point and no additional cost for movement of empty container or loaded container from CFS to CFS or CFS to Port will be given.
- e) Contractor should carry out optimum stuffing of cargo in container to avoid problems such as cargo overflow or wastage of space. When packing a container or securing cargo, the Guidelines for Packing and Securing Cargoes in Containers for Transport by Land or by Sea (Container Packing Guidelines) issued by the International Maritime Organization (IMO) and International Labour Organization (ILO), must be observed. Cargo must also be secured within a container against all ship movements, such as rolling, pitching and yawing. Individual cargo parts that do not fill up the floor must be secured by being chocked and lashed.
- f) Contractor should provide container load plan and stuffing report after stuffing of containers.
- g) All CFS charges including storage charges, stuffing cost, cargo securing cost and any other cost if any, will be to the contractor's account.
- h) The contractor will have to ensure pre shipment survey & measurement of cargo from Licensed measurer and notify BHEL for the condition of the cargo prior to stuffing in the COC containers and their loading on the vessel.

- i) Contractor to ensure that there is no pilferage of cargo being transported in loose/packed condition. Any loss suffered by BHEL on this account shall be recoverable from the Contractor.

4) Delivery of Stuffed container and Gate-In:

- a) The vessel booking is being arranged by customer nominated shipping agent. Contractor has to coordinate with the shipping agent details given in NIT.
- b) Contractor should make all efforts to handover the cargo on or before cutoff date of schedule vessel. The contractor shall keep contact with shipping Agent for schedule of vessel and availability of empty COC container. If the contractor fails to handover the cargo to shipping agent/line on scheduled time, all storage and shipping line charges will be borne by contractor till next scheduled vessel. No container or vessel detention charges or Dead Freight are payable by BHEL, hence proper planning & coordination with shipping line / agent should be ensured by the contractor. If dead freight is charged due to reason attributable to contractor, then same will be recovered from contractor.**
- c) Transport the loaded sealed containers to the vessel and ensure safe loading of the containers on the vessel at JNPT. All CFS/ THC charges to be borne by the contractor.
- d) All the agency charges, shipping line charges, origin charges like Shipping line THC, Liasioning charges, certificate charges, Bill of lading charges, Facilitation charges, ISPS, seal charges, COC container surcharges are in contractor's scope and shall not be payable separately.

5) Obtaining original OBL on behalf of BHEL (with coordination with shipping line) and handing over the same to BHEL will be contractor responsibility. BL charges should be included in price offered. OBL to be couriered to BHEL IO office Delhi.

- 6) Insurance of cargo shall be arranged by BHEL. However, the Contractor to ensure**
 - a) Lodging of first information to the underwriters and the other parties to protect BHEL's claim as required.
 - b) Immediate forwarding of information as required to enable BHEL for lodging the claim with the Underwriters.
