

BHARAT HEAVY ELECTRICALS LIMITED
TRANSMISSION BUSINESS GROUP, NEW DELHI

PRE-QUALIFYING REQUIREMENTS

Tender Spec. No.: TBSM/TL/CONSULTANCY/RC/TENDER

Dated 06.10.12

Name of Work: Rate contract for Transmission line route survey, tower spotting/ optimization of tower location, soil resistivity measurements and geotechnical investigation, design & drawings of transmission line and their foundation and preparation of BOM.

Sealed Tenders (Under two part bid system) are invited for above work on 'Rate contract basis' for a period of two years. Only those who are technically and financially capable to execute the Job and who fulfil the Pre-Qualifying Requirements [PQR] given under are eligible to quote against the above NIT. Tenderers should submit their offer in a sealed envelope as per the procedure specified in tender documents. The PQR of contractor for tender submission shall be as under:

FINANCIAL

1. Bidder should have a minimum average annual turnover of. Rs.30 Lakhs and should submit audited balance sheet and Profit & Loss Account for last three years (2009-10, 2010-11& 2011-12). In case audited balance sheet is not available due to turnover being less than statutory requirement of audit, bidder should furnish self certified copies of Balance Sheet, Profit & Loss account along with income tax returns of these years.
2. Bidder should have successfully executed similar (refer note a, b & c below) job during last seven years ending 30.09.12. Bidder should produce certification/proof in support of execution of similar package from user/end user and should be either of the following:

One similar work executed costing not less than Rs. 20 Lakhs

OR

Two similar works executed costing not less than Rs. 12.5 Lakhs each

OR

Three similar works executed costing not less than Rs. 8 Lakhs each

3. Bidder should have earned profit in at least one year during last three financial years (2009-10, 2010-11 & 2011-12)

Notes:

- a) Similar Works: Similar works shall mean successfully executed consultancy works of design & drawings of transmission line and their foundation and preparation of BOM of 220kV or above rating transmission line along with transmission line route survey, soil resistivity measurements and geotechnical investigation.
- b) Cost of similar works as required in financial criteria shall mean summation of executed order value of design/ route survey/ soil resistivity & geotechnical investigation work for individual/ joint bidders (as mentioned in Sl. No. 3 of tech. PQR).
- c) The word 'executed' means the bidder should have achieved the criteria specified above even if the total contract has not been completed or closed.

TECHNICAL

1. Bidder should be a Design Consultant with minimum experience of 3 years as on 30.09.12, of in-house design capability in designing of transmission lines.
2. Bidder should have designed at least 3 projects of 220kV or higher kV transmission lines and out of these at least one project should be of 400 kV. The minimum line length of the projects undertaken must be 10kM for at least one of above project.
3. Bidder should have either in-house setup for transmission line survey and geo-technical investigation or should have a tie-up with agency(s) for the same in the form of contract agreement/ collaboration agreement/ joint bidding/ undertaking etc. Bidder or its agency (s) should have minimum relevant experience of 3 years in these areas.

Relevant documents (like order copies /completion certificates for projects) of bidders and its agency(s) should be submitted with the bid.

Important Notes

- 1) BHEL reserves the right to:
 - (a) Accept or reject any bid received at its discretion without assigning any reasons whatsoever.
 - (b) Postpone the above mentioned date, split and distribute the work among more than one bidder without assigning any reason whatsoever.
 - (c) May ask for further qualification during techno commercial scrutiny of bids received.
- 2) BHEL shall not be responsible for any delay, loss, damage for bids sent by post.
- 3) BHEL shall not be liable for any expenses incurred by bidder in preparation of bid irrespective of whether it is accepted or not.
- 4) Quotations received from bidders who do not fulfil the PQR shall be summarily rejected without any further evaluation and information to bidders.
- 5) Canvassing i.e. soliciting favour, seeking advantage etc. in any form is strictly prohibited and any bidder found to have engaged in canvassing shall be liable to have his bid rejected summarily.
- 6) If the bidder deliberately gives any wrong information in his tender to create in circumstances for the acceptance to his bid, BHEL reserves the right to reject such application.
- 7) All corrigenda, addenda, amendments and clarifications to this Tender will be hosted in web page, www.bhel.com and not in the newspaper. Bidders shall keep themselves updated with all such amendments.
