ATTN : R. LODWAL, SR.DGM (TBSM)
Phone : 01141793381, Fax : 011-24369509
e-mail: rlodwal@bhelindustry.com**

2. The bidders who have received the tender documents are requested to send their acknowledgement and willingness to participate in the tender to the undersigned, through fax or email.
3. Offers should be strictly in accordance with the Tender Specifications and General Instructions to Tenderer enclosed herewith.
4. Offers shall comply with the conditions of contract for erection works, DOC. NO. – TB-ETC-GCC, REV.-02, 20th JUNE 2005. Bidders are advised to enclose with their offer duly signed & sealed on each page to confirm compliance to the contract conditions.
5. Certain clauses of the tender conditions have been modified in the special terms & conditions enclosed with the NIT. Wherever there is a deviation these clauses shall supersede the standard clause specified in the above conditions of Contract (Sl. No. 4).
6. If there are any deviations to the technical specification or commercial conditions, the same should be clearly brought out clause wise in the technical bid.
7. The contractor shall give his explicit confirmation without any deviations to the HSE (Health, Safety and Environment) requirements as per enclosed specification No. TBSM-HSE-SPES, Rev-00 Dtd. 28.10.2003. Contractors are also required to furnish details as per Annexure (HSE) to NIT along with their offer. Offers received without compliance & data about HSE requirements are liable to be rejected.
8. Clarifications, if any, can be obtained from the undersigned but such requests should be submitted well before the due date for submission of tenders. Due date for submission and opening of tenders will not be extended on such grounds.
9. Technical Bid will be opened in the office of undersigned. If required, technical discussions will be held with only those bidders who have taken any deviations. Bidders representative may be present during technical bid opening for technical discussion, if required. The price bids will be opened subsequently, after Technical Bids of all the Tenderers which have been evaluated and frozen. Bidders should quote their most competitive rates as there will not be any price negotiation. However if felt necessary by BHEL, price negotiation will be held with lowest bidder (L-1) only. IT WOULD BE PREFERRED THAT YOUR OFFER IS WITHOUT ANY DEVIATION w.r.t. TENDER SPECIFICATIONS AND THE SAME MAY BE CLEARLY MENTIONED ON THE COVERING LETTER ACCOMPANYING THE TECHNICAL BID. Offers with deviations are likely to be rejected. However if the bidder insists on any technical or commercial deviations, from the specification and/or tender conditions, the price implication if any, of withdrawing the deviations must be submitted along with the price bid in a separate sealed envelope superscribed "Price Implication for withdrawal of deviations". No price implication for withdrawal of deviation shall be accepted at a later date, after the opening of technical bid.
10. The purchase preference for central P.S.Us shall be given as per the prevailing Government policy.
11. Work schedule and the deployment of manpower and T&P resources committed by the contractor in their offer, to match the scheduled completion, shall be submitted by contractor and mutually agreed with site In-charge immediately after the award of work. Further, the contractor shall mobilise at site within two weeks of award of work.
12. In case an offer is not being submitted by the prospective bidders against this tender, they may send their "regret" letter to this office, for information.

Thanking you,

Yours faithfully,
for and on Behalf of BHEL,

(R. Lodwal)
SR.DGM (TBSM)
