IMPORTANT TERMS AND CONDITIONS:

Important terms and conditions

It has been observed that bidders are quoting below the prevailing applicable minimum wages for the estimated manpower projected in the tender. Due to under quoting of the contract value, the contractor in turn supplies the reduced manpower which in turn affect the operations. To circumvent this issue, it is necessary that the bids quoted by bidder has to be rejected if he quotes below the applicable wages & statutory benefits payable to contract labour as per the terms and conditions of tender. Hence it is proposed to introduce the following terms and conditions in the works contract so as to accommodate the Pricing of tender suitably so as to ensure that the contractor provides adequate manpower:

1. TENDER PRICE:

- a. Unless explicitly stated in the tender document, the contractor shall be responsible for the whole works, based on the schedule of works, bill of quantities and payment shall be made as per accepted rates based on the activities carried out as in the scope of work.
- b. While quoting the "service charge", bidders should consider all cost elements like financing cost, cost of maintenance of accounts, overheads, profit margins, conveyance charges, amount of security deposit, statutory requirements / obligations, contractual obligations and any other expenditure as deemed relevant by the bidder or cost of any other item under its scope and to meet any expenses / exigencies (including bearing of penalty by bidder as per tender document) so as to ensure continuity of services. While quoting the price, the bidder must keep in view the prevailing applicable minimum wages of the Government of Tamilnadu. It is the responsibility of the bidder to educate himself about all obligations to be performed under the contract, the financing cost, administrative expenses, statutory liabilities, etc and then submit price accordingly.
- c. If a bidder quote "Nil" service charge, the bid shall be treated as unresponsive and will not be considered for evaluation. Bids without any element of cost over and above wages / statutory payments (or below it) shall be treated as "Nil" price quotation and would be rejected. The contractor shall be liable for all kinds of dues payable in respect of all personnel provided under the contract and BHEL shall not be liable for any dues for availing the services of the personnel.
- d. The bidders are advised to quote the "Service Charges" in terms of percentage of total charges. The service charge quoted in the price bid shall be exclusive of GST. GST shall be payable as applicable on actual.
- e. Lowest "Service Charge" received against the tender need not be acceptable to BHEL and in that case BHEL would not consider the same for Award of Contract. BHEL would negotiate or re-float the tender if L1 price is not the lowest-acceptable price to them inter-alia other reasons.

f. APPLICABLE CONTRACTUAL VARIATIONS

Within the validity or any extension of contract thereof, "Service charge" shall remain firm (in terms of value) without any escalation / variation for any reason, whatsoever, unless specifically provided herein. Contractor's obligation shall remain unaffected by such escalation / variation. However, during the validity of contract period, the contract value will vary depending on the followings:

- a. Rates of basic plus VDA (subsequent to floating of this tender), as & when notified by Govt. of Tamilnadu will be applicable in the contract and accordingly the monthly bills of the contractor will get amended against the documentary evidence;
- b. Rates of EPF / EPS / EDLI / ESI / Min. monthly bonus etc. (subsequent to floating of this tender), as & when notified by governing statutory authorities will be applicable in the contract and accordingly the monthly bill(s) of the contractor will get amended against the documentary evidence.
