Important terms and conditions

It has been observed that bidders are quoting below the prevailing applicable minimum wages for the estimated manpower projected in the tender. Due to under quoting of the contract value, the contractor in turn supplies the reduced manpower which in turn affect the operations of Canteen. To circumvent this issue, it is necessary that the bids quoted by bidder has to be rejected if he quotes below the applicable wages & statutory benefits payable to contract labour as per the terms and conditions of tender. Hence it is proposed to introduce the following terms and conditions in the works contract so as to accommodate the Pricing of tender suitably so as to ensure that the contractor provides adequate manpower:

While quoting the price, the bidder must keep in view the prevailing applicable minimum wages of the Government of Tamilnadu. It is the responsibility of the bidder to educate himself about all obligations to be performed under the contract, the financing cost, administrative expenses, statutory liabilities, etc and then submit price accordingly.
- c. If a bidder quote "Nil" service charge, the bid shall be treated as unresponsive and will not be considered for evaluation. - f. Work force shall be supplied as per BHEL requirement. Tentative manpower may vary from day to day, however average manpower of the month will not exceed the tentative manpower. BHEL may reduce / increase the work force at any time with prior intimation to the contractor due to menu reduction and other factors.
