Should there be any act of "addition" or "omission" of the factors on the part of the "insured" which in the opinion or in view of the "underwriter" is "not required" or "required to be accounted for" the same shall be brought to the notice of the "insured" before Submission of Offer to enable BHEL clarify the matter, failing which BHEL will not accept rejection/ short settlement of claim.

1.2 PROCEDURE FOR CLAIM SETTLEMENT

1.2.1. The underwriter will put in place such a claim procedure that is positive prompt transparent and targets for 'zero' pendency status. Towards this end the underwriter will endeavor to educate the BHEL officials w.r.t. procedures and documentation requirement. A joint meeting between potential surveyors, underwriters and BHEL will be organized at the time and place suggested by BHEL for discussing this matter. The underwriter will take a fortnightly report from the surveyor to ensure the success of the procedure and keep BHEL posted.

1.2.2 The Insurer shall immediately depute or authorize the Insured to call a surveyor(s) from the approved panel but not later than 2 working days of receipt of intimation from the Insured in exceptional cases.

1.2.3 The surveyor shall call for all the documents in support of claim in one go but not in piece meal manner for expeditious settlement of claim, preferably at the time of visit or within 3 days thereafter.

If for any reasons BHEL does not respond/ provide all the particulars required by the surveyor, the insurer or surveyor as the case may be shall remind within 2 weeks in writing the site with a copy to their BHEL Bhopal office. In exceptional situations copy may be sent to this office also.

- 1.2.4 The surveyor shall send his findings to the Insurer within 15 days of his getting documents.
- 1.2.5 In case the claim is not found tenable or not settled for the claimed amount, The insurer will seek the comments of BHEL within a week of receiving the survey report. The final view shall be taken within 15 days of receipt of reply.
In normal circumstances the claim has to be settled within 30 days from the date of first information, net of the time taken by BHEL for responding to surveyor's/ underwriter's comments.
- 1.2.6 In order to minimize the procedural formalities and in view of the insignificance of amount w.r.t. the project size, all the Marine claims up to Rs. 20,000 over and above the excess/ deductible will be settled on the basis of statement signed by two officials of BHEL.

1.3 EXTRA PREMIUM:

Underwriter to Indicate

- i. Rates for extension of Erection and Testing period. Rates must be inclusive of Premium for Add-on covers.

IMPORTANT NOTE:

- a) The premium rates should be quoted net of discount and exclusive of GST.
- b) No subsequent increase in premium rate during the policy period will be allowed.

2.0 EXCESS/ DEDUCTIBLE

For Marine Cover:

- 0.25% of consignment value subject to minimum of Rs 20,000/-.

For Installation all risks:

- For Storage/Erection Cover: 5% of the claim amount subject to minimum of Rs. 5,00,000 in respect of each and every loss.

- Act of God Perils: 10% of the claim amount subject to minimum of testing period excess and an upper limit of Rs. 5 crores in respect of each and every claim.
- Fire / Explosion Claims: Minimum Excess as per Tariff

3.0 SELF-SURVEY LIMIT:

For all claims this limit will be **Rs. 20,000** over and above the excess applicable.

4.0 DOCUMENTS FOR REPLACEMENT / REPAIR COST.

The contract price is the sale price agreed with MEERUT SIMBHAVALI TRANSMISSION LIMITED.(MSTL). The cost includes production, procurement, erection cost plus taxes and other expenses. The items supplied to site are billed by BHEL progressively based on notional/pro-rata rate. The amounts in the invoices to MEERUT SIMBHAVALI TRANSMISSION LIMITED.(MSTL) / Gate Pass are based on such pro-rata/ notional rates. In the event of a loss, replacement / repair cost will be furnished by BHEL through Cost Certificates reflecting actual cost/expenses inclusive of expenses incurred on visit of officials/ experts (including foreign experts) as well as testing charges, if any, and the supervision cost by BHEL engineers to site. The claims shall be settled on the basis of cost indicated in the Cost Certificate by concerned BHEL Units and the site office that carry out such repair/replacement.

Taxes / Duties will be payable by the underwriter based on actuals, which shall include payment or reversal of the same.

- 5.0 CHARGES FOR SUPERVISION, REPAIRS / RECTIFICATION:** It is usual that certain repairs / rectification works arise due to damages to consignments. Repairs/ rectification may be carried out by BHEL or at their Sub vendor's works under the supervision of BHEL Engineers. The expenses so incurred including testing charges, along with BHEL supervision charges are to be borne by the underwriter. For this purpose cost certificate will be issued by the unit. Supervision at site if applicable for erection etc., will be paid. This will apply to damage to items at any stage i.e. transit, storage, erection & testing and maintenance.

In certain cases, the site may call the technicians/ Engineers from Manufacturing Units /their vendors for repairs/ rectification. The expenses incurred on repairs/ rectification includes supervision charges of BHEL, cost of materials, labour, machining and testing charges (if any) etc. For this purpose, the supervision charges of BHEL engineers are taken on Man-day rate basis less 10% as applicable for site as per prevailing Head Office/ Corporate office circular at the time of repair/rectification. These Man-day rates are subject to revision every financial year. The same shall be reimbursed by underwriter in the event of claim. However, the number of days for which the supervision charges are to be reimbursed shall be determined by mutual discussion between BHEL and the surveyor.

6.0 CHARGES FOR MATERIAL PROCUREMENT

6.1 In case BHEL procures any materials on behalf of supplying units, the procurement cost shall also be payable by the underwriter.

7.0 INTEREST ON DELAYED PAYMENTS:

7.1 The Underwriter shall settle all claims within 30 days from the date of submission of Final Claim Bill accompanied by necessary documents. List of such necessary documents shall be furnished for each type of claim by the underwriter at the time of start of the Policy. Any delay in settlement of claims beyond 30 days, shall attract a penal interest at **TWO** percent above the ruling Bank rate of interest for the period of delay (Ref. Insurance Regulatory and Development Authority Notification dated 26th April 2002)

8.0 ON-ACCOUNT PAYMENTS AGAINST CLAIMS:

8.1 In case of net claims exceeding Rs. 10 Lakhs, BHEL will move the papers for On-Account payment. The Underwriter shall promptly make an on-account payment of major value of the claim on the basis of firm estimates provided by BHEL. The on-account payment shall be made within one week from the date of providing the firm estimates by BHEL, without waiting for detailed documents related to the claim.

8.2 The balance amount of the claim shall be settled and paid within 21 days after submission of all relevant documents.

The insured will give required relevant document to the extent possible for settlement of claims. However in case of non-availability of required documents Insurer will settle the claims based on the market information and engineering estimates. In short the emphasis should be on the spirit of indemnity and not on procedures.

9.0 THEFT / PILFERAGE CLAIMS:

9.1 The security / watch and ward arrangement in the project is in the purview / scope of the owner who has engaged his own security for the watch and ward of the project. Theft / pilferage are reported to them as per procedure. As for filing report with police is concerned, sending information to the police by registered post will be considered adequate in case FIR cannot be lodged with Police. In case the final report cannot be obtained, indemnity bond will be furnished which shall be acceptable to the underwriter. However, the complaint so lodged with the security agency for such stolen items will be with brief description of the item and other details such as weight, value and exact time of notice of loss where available shall form the basis for settlement of claims by the Underwriter.

10.0 DEPUTATION OF SURVEYORS:

Authorised Signatory of BHEL

Signature & Seal of
Authorised Signatory of Bidder

- 10.1 Within a reasonable time from the commencement of Policy the Underwriter shall discuss and furnish the list of surveyors containing their relevant details. Normally surveyors from that list only shall be deputed. BHEL reserves the right to review the list and can ask the Underwriter - not to depute a particular surveyor in case BHEL management feels that his deputation may jeopardize company's interest.
- 10.2 The Underwriter shall depute the surveyor within 2 working days on receipt of the intimation of the occurrence of the accident. In the event of any delay in deputation of surveyor; BHEL reserves the right to engage any other surveyor from panel at the cost of the underwriter.
- 10.3 In case the surveyor causes undue delay, the underwriter will have to effectively and promptly intervene to expedite the process or to change the surveyor. In case surveyor loses the documents or does not pass them to the underwriter for any reason, photocopy will be asked from BHEL and the same shall be acceptable as if these are original papers.
- 10.4 The underwriter shall provide a copy of the survey report to BHEL if and when asked for. The surveyor shall be advised by the underwriter to directly submit his report on the causes and ways to avoid losses in future. However, BHEL will not pay any remuneration in this behalf. Potential reduction of claim due to such analysis will help to reduce the future claims

11.0 ESTABLISHMENT OF SITE OFFICE:

Underwriter shall either establish his site office at the Project site or make available a knowledgeable authorized representative, who shall be responsible for managing the day-to-day affairs pertaining to the claims. He shall also guide BHEL and expedite the settlement of claims apart from interacting with the external agencies. He shall also act as a catalyst, organize the visit of surveyors to site timely and arrange to settle the claims expeditiously. All expenses with regard to the above will be to the account of Underwriter. The representatives should be placed at such a location that he can reach the site within a day's time of getting the call. He will also be required to go to the site regularly, periodicity of which will be decided in consultation with the site management.

12.0 PROGRESS REPORTING AND REVIEW:

- 12.1 The Underwriter shall submit progress reports regarding the status of claims settled & pending for settlement, premium received and the claim amount settled etc. as and when called for. Periodic progress review meetings will be held at site/HQ during which the status of all the pending claims will be discussed and action plan drawn to liquidate the pending claims. The Underwriter shall depute their senior representative to attend such meetings, who are empowered to take spot decisions in respect of settlement of claims, whenever feasible. They shall also constantly update/review their work program to match the liquidation of pending claims vis-à-vis scheduled site/contract closing program.

13.0 PURCHASE PREFERENCE TO CENTRAL PUBLIC SECTOR UNDERTAKINGS:

If applicable, purchase preference shall be given to Central Govt. U organizations involved in Insurance business as per the Govt. of India guidelines in this regard.

14.0 MARINE/TRANSIT POLICY:

This policy intends to cover the following:

- a) To cover all goods, plant and machinery, equipment, tooling, instruments and other materials required for project construction including items brought in and sent back for repair/ rectification/ testing by any mode from anywhere in India to the site. However, if required for fabrication/ testing etc, materials can be diverted to other locations also. **It may be noted that BHEL will wait for 48 hours for the surveyor to conduct inspection of damaged items. If the surveyor, after intimation, does not come within 48 hours, the items will be sent for repair. After that BHEL inspection report will be accepted by the surveyor/ underwriter for settling claim.**
- b) Basically "All Risks" (including loading-unloading risks, pilferage, physical loss or damage burglary, theft, Non-delivery) in the Institute Cargo Clauses – A /ITC- A. The imports will be covered for war risks also and the transit within India for SRCC.

However, the following may be noted :

- A Underwriter to ensure and confirm that the scope of cover for the Marine / Transit Risks is comprehensive except for a few Internationally accepted "Exclusions" followed by all underwriters in the world.
- B The underwriter to indicate clearly any exclusion of the Risks not covered in the Policies to avoid any dispute at a later date. In the event of any ambiguity in his proposal with regard to this aspect, the interpretation of the "Insured" shall be final and binding on the "Underwriter". BHEL is absolved of any loss on this account.
- C The underwriter shall not attempt to avoid any unforeseen eventualities, which may arise during transit and allied storage and keep the facts in consideration while settling the claims.
- D. The marine policy will cover all modes of possible transports like rail, road, boat /barge, ship, parcel, courier, post etc. Transportation may be either by single mode or combination of 2/3 modes. Any intermediate storage (storage during transit) will also be covered.
- E. The marine cover will be valid for all inland dispatches. Regarding imports, the cover will be valid for equipment being sent abroad for repair/replacements and brought back.

F. **Loading/Unloading Survey expenses:** The cost of loading/unloading surveys, if required, in respect of consignments will be borne by the Insurer/Underwriter.

G. MARINE/ INLAND TRANSIT COVER OF DAMAGED/ REPAIRED ITEMS

In the event of any Mishap/ accident during transit, execution, testing and trial operation of the plant, it may become necessary that the damaged equipment/ items may have to be sent from site to supplying unit/ vendors for investigation, repair, rectification, replacement of components, testing etc. The duly repaired equipment/ items subsequently will be dispatched back to site. Marine/ Inland transit cover for "to and fro" is also covered under the scope of the insurer. The Sum Insured of Indigenous Items to be sent for repair /replacement and brought back is mentioned elsewhere in the Tender Enquiry. The quoted rates will be applicable for any additional requirement.

14.1 Basis of Valuation of Loss for Claim Settlement under Marine Cover:

Marine claims shall be settled as per the loss assessment method as described under

- **Indigenous equipment:** Ex-works cost plus taxes and duties and all actual expenses till it reaches Site
- **Imported items:** Invoice price plus all actual expenses up to port of landing in India plus duties and taxes plus all expenses incurred within the country plus either 5%, or actual transportation cost whichever is higher.

14.2 STORAGE DURATION UNDER TRANSIT COVER:

The underwriter shall keep the transit/Marine cover operative as under without any extra premium. The marine transit proposed shall include an aggregate storage period of 60 days over and above duration clause of project material at any intermediate site out of logistic compulsions in normal course of transit. On termination of such transit at such intermediate storage locations and further onward transit/intermediate storage within the period of 60 days over and above duration clause shall not be separately declared and shall be covered end to end. In this storage which is not customary, Marine Policy excess shall apply.

14.3 DAMAGE / SHORTAGES IN SOUND BOXES:

Damages/ shortages found in sound boxes (damage apparently not visible) beyond self-survey limit, only a Panchanama will be prepared by the insured for settlement of the cost of damaged / shortage items. These damaged / shortage items will be replaced by Manufacturers / suppliers at replacement price. It may not be feasible to indicate for individual items the original price for replacement items. The underwriter shall on the basis of panchanama settle such claims in full. No other document in this regard can be made available. In case of shortage noticed in sound boxes, the Open Delivery Certificate for transporters should not be demanded. However, the recovery rights will be protected. This

will be applicable for both inward as well as outward consignments. Time limit for claim intimation from the date of arrival shall be as follows:

- | | | | |
|------|-----------------------------------|---|----------|
| (i) | Shortage/ damage in sound boxes | - | 6 months |
| (ii) | Shortage/ damage in damaged boxes | - | 30 days |

14.4 Transfer of Title of the Goods

If as per contract, it is the responsibility of the BHEL to ensure safe delivery of goods to the customer, passing of title on high seas or sale in transit will not affect the insurance coverage and the policy will remain in force as if title has not been passed.

15.0 CLAIM RELATED STIPULATIONS:

15.1 CHARGES FOR SUPERVISION, REPAIRS / RECTIFICATION: It is usual that certain repairs / rectification works arise due to damages to consignments. Repairs/ rectification may be carried out by BHEL or at their Sub vendor's works under the supervision of BHEL Engineers. The expenses so incurred including testing charges along with BHEL supervision charges are to be borne by the underwriter. For this purpose cost certificate will be issued by the unit. Supervision at site if applicable for erection etc., will be paid. This will apply to damage to items at any stage i.e. transit, storage, erection & testing and maintenance.

15.2 It is normal practice to dispatch heavy structural and materials in open wagons where the RR is issued on "SAID TO CONTAIN" basis from the originating location. In case of any loss to such consignments, claims will be settled for 100 % value.

15.3 The materials dispatched by rail from Manufacturers/Suppliers warehouse are first brought to the "Rail head"/nearest railway siding which is a transfer point, where railways shall hand over delivery of consignment. From this point the consignment /goods are transported by rail to the Railway siding of the site. Actual verification of materials shall take place at the Railway siding at the time of physical delivery. Since the transit cover is from Warehouse to Warehouse basis, any losses/ damage occurred during entire process of transit shall be covered & marine claim shall be settled for 100% value.

15.4 In case consignment comes through road carriers, written statement of observations of condition of consignment i.e. shortage/damages recorded and signed by lorry driver over the challan/ delivery certificate and duly counter signed by BHEL representative shall be honoured. The Insured will serve a formal notice of monetary claim on the carriers by Registered letter and produce the receipt issued by Post Office. No further shortage/damage certificate shall be asked by the Insurer for claim settlement. The letter will only be a demand to make good the loss and it will not contain a threat to go to the court in case transporter does not do so.

15.5 In case, claim is considered to be non-standard claim because of not getting damage/shortage certificate from carriers in spite of all the efforts (i.e. sending Notice through Reg. AD), Insurer shall settle such claims to the extent of 90% irrespective of

claim amount. For other situations warranting under-settlement of the claim, the bidder will give in a separate statement forming part of the Techno-Commercial bid, the percentage of deduction underwriter proposes to apply. Once agreed to by us, this will form part of the MOU. However, it will not form part of evaluation formula.

- 15.6 The claim intimation for shortage/ damage under this category can be sent by the consignor or the consignee regardless of who suffer the loss.
- 15.7 DEPUTATION OF WAGON / CARRIER TRACERS : It is the responsibility of the "Underwriter" to appoint wagon/ carrier tracers immediately on receipt of notice of the claim from BHEL in the event of "Non delivery" of goods /consignment. The goods/ consignment to be traced and delivered within a period mutually acceptable keeping in view the erection/commissioning schedule. If there is delay in doing so, which in the opinion of insured will delay the project schedule, the underwriter is to admit the replacement cost together with all the additional expenses incurred for arranging the replacement together with all costs incurred at site to expedite the connected erection and commissioning activities to meet the schedule. The consignment traced beyond the mutually agreed period will not normally be accepted by BHEL.

On the basis of non-delivery certificate/BHEL's notice to carriers , the original consignment, if received subsequently will be intimated to the Underwriter for taking charge of the same without any implication on the settled claim.

16.0 Value of Single largest consignment & PBL

Following are the details of largest value consignment.

Meerut Simbhavali Transmission Limited: "MSTL"

Equipment : 500 MVA,765/400/33 kV 1-Ph auto- transformers {Including Insulating oil & accessories} (7 Nos) each

17.0 STORAGE, ERECTION & TESTING COVERS (INSTALLATION ALL RISKS COVERS):-

- 17.1 Underwriter to ensure and confirm that the scope of cover for the "Risks at site during Storage Erection & Testing" is comprehensive except for a few Internationally accepted "Exclusions ". All underwriters will submit the list of these exclusions and the successful bidder will apply only those which are included in the list of all underwriters.
- 17.2 The Underwriter to indicate clearly exclusions of the Policies to avoid any dispute at a later date. In the event of any ambiguity in his proposal with regard to this aspect, the interpretation will be done to the advantage of the insured.
- 17.3 Covers shall include all risks in the course of movement of goods, Storage at site, Pre-assembly, Erection, Pre-commissioning, Commissioning and Initial operation of individual equipment including trial run. Bidders can go through the relevant portion of

said contract if they so wish. However, for the reason of confidentiality copy cannot be provided.

17.4 Erection Cover (Please refer enclosed contract document):

- All activities till Erection of complete unit & completion of the facilities shall continue under the erection cover.
- In case the plant after synchronization is under shutdown for attending to commissioning problems, the period of shutdown shall be considered as erection period.
- The operation of any individual equipment / system and Reliability run test prior to completion of facilities will be covered and considered as erection cover.

17.5 Testing Period Cover:

The testing period cover or cover during testing period will be till the completion of commissioning.

Pre commissioning, commissioning, Completion of facilities are as described below:

Pre commissioning :-After erection of each item of equipment and duly inspected by both the parties for correctness and completeness, the necessary standard, pre-commissioning tests including those required by the consultants will be carried and unit will be taken for commissioning.

Commissioning:-The contractor shall put the subsystems and systems of the project into successful operation for 60 days continuously without any interruption according to the required load of the network.

Completion of facilities: - facilities have been completed operationally and structurally and put in a tight & clean condition and that all work in respect of pre commissioning of facilities or specific part thereof has been completed; and commissioning has been attained.

18.0 PERIOD OF COVER: The cover for MCE policy will start either from the date of dispatch of first consignment of unit material separately or the date of payment of 1st installment premium whichever is later. However, all consignments/ work done till date of commencement will be jointly inspected by the insurer and insured and damages/ losses already suffered will not be to the account of the insurer. However, all consignments starting from supplier's work on or after the date of premium will be deemed to have incurred under this policy even if received at site after the date of above referred joint inspection. The insurer will refund pro-rata premium based on the value of the consignment received till the commencement of the policy. Once inspection is done, consignee will be considered to have been insured under this policy for all purposes.

(A) Commencement of Marine Policy Period:

The cover for MCE policy will start either from the date of dispatch of first consignment of each unit materials separately or the date of payment of 1st instalment premium for MCE cover whichever is later.
