Dear Shri(As per enclosed distribution list),

Sub.: Key Terms and Conditions to be complied for Procurement of Capital Items

However, consistent with these Key Terms & Conditions, relevant changes in your Departmental Procedures / Working Instructions may also be incorporated.

3.1 Earnest Money Deposit:

- 3.1.1 It would be mandatory to seek Earnest Money Deposit (EMD) along with the Open Tender for Capital Items purchases as under:

Estimated Cost of Equipment	EMD Value
Up to Rs. 10 lakhs	Nil
Above Rs.10 lakhs and up to Rs. 20 lakhs	Rs. 40,000/-
Above Rs. 20 lakhs and up to Rs. 30 lakhs	Rs. 60,000/-
Above Rs. 30 lakhs and up to Rs. 50 lakhs	Rs. 1,00,000/-
Above Rs. 50 lakhs and up to Rs. 100 lakhs	Rs.1,50,000/-
Above Rs.100 lakhs	Rs. 2,00,000/-

EMD is to be collected in cash (as permissible under Income Tax Act) or Pay Order or Demand Draft only. In case of foreign bidders e-payment may also be accepted as EMD.

However, the EMD may be waived in following cases with prior approval of the Head of the Purchase department, not below the rank of AGM:

- a) Central / State - PSUs / Government departments
- b) Micro and Small Enterprises

The EMD may be waived in cases other than above for justified & recorded reasons, with approval of Unit Head.

- 3.1.2 EMD by the Tenderer will be forfeited as per Tender Documents if, the successful bidder/vendor refuses to honour the Order after award of the same on him and/or withdraws his bid and /or unilaterally changes the offer and/or any of its terms & conditions within the validity period.
- 3.1.3 EMD given by all unsuccessful Tenderers shall be refunded on acceptance of award / LOI/PO by successful Tenderer. The EMD of successful bidder shall be returned after submission of Contract Execution Bank Guarantee (CEBG).
- 3.1.4 EMD shall not carry any interest.

3.2 Bid Evaluation:

- 3.2.1 The bidder shall be asked to quote charges for 'Supply' and 'Erection & Commissioning' separately.
- 3.2.2 The evaluation of tender shall be on the basis of "total cost to BHEL" including Supply and Erection & Commissioning. For evaluation, exchange rate (TT selling rate of SBI) as on scheduled date of tender opening (part-I in case of two part bid) shall be considered. This shall be stated in the tender conditions.

3.2.2 Details on Capacity / Supply and E&C performance of Bidder:

In case of tenders having high value items with estimated value more than **Rs. 2.5 Crore** of any item, the performance of the vendors and meeting commitments is of utmost importance. In order to keep this in focus during evaluation / finalization of tenders, Bidder shall be asked to furnish specific details of company performance in the enclosed **Annexure-I** (A. Capacity details; B. Performance of supplies to BHEL).

- (a) Capacity details in Part (A) are about the Manufacturing Capacity (Major Machine: category-wise & number-wise), No. of Machines supplied during last 5 years, Outstanding Order Book position, Liquidation Plan of all machines including BHEL machines under consideration for ordering. Wherever possible, efforts are to be made to contact some of the references of past supplies given.
- (b) The Performance details of supplies to BHEL will be sought in Part (B) for the POs placed by BHEL which can be verified; hence submission of these information by vendors is **mandatory**. BHEL will reserve the right to reject the offer, if past performance of the bidder is evaluated to be unsatisfactory and / or false information is given by the bidder.
- (i) Immediately after opening of Techno Commercial Bid, the indenting Unit shall get the past performance details with BHEL verified from concerned Units as a second check.
- (ii) The tender Technical Committee at Unit shall make use of the information on past performance of the bidders during technical evaluation of the offers. If Delivery Index of any bidder is ≥ 0.20 , then his offer shall be liable for rejection. However, offer of bidder with Delivery Index ≥ 0.20 can also be accepted for further evaluation on exception basis with justified recorded reasons with approval of Unit Head & provided the bidder fulfils the requirement of proven experience of supplying similar machines & have adequate available capacity to meet BHEL tender requirement.
- (iii) The actual / likely Supply and E&C period vis-à-vis scheduled Supply and E&C period (delay for reasons attributable to vendor only to be considered) shall be considered for all the machines against the POs placed by BHEL during last 5 years (limited to 5 latest executed POs) and all POs overdue for Supply and/or E&C.

For purpose of calculation of Delivery Index in case of overdue POs, the delay period for Supply and/or E&C will be reckoned from the date of bid opening of the tender under evaluation. In case of two part bid, part-I (i.e. Techno-Commercial Bid) shall be considered as date of bid opening.

Early Supply and/or E&C vis-à-vis scheduled dates will not be entitled for any consideration for calculation of Delivery Index.

Delay in E&C shall be applicable only in such cases where E&C period has been mentioned in the PO.

In case a PO includes more than one machine, then all the machines of the PO shall be considered for calculation of Delivery Index.

(iv) The details of bidder who has been disqualified based on the delivery performance with BHEL Units should be shared by Purchase Department of indenting Unit with all sister Units under intimation to CMT&IP. CMT&IP shall host the details on website of CMT&IP department.

(v) Illustration for calculation of Delivery Index:

$$\text{Delivery Index} = \sum_{i=1}^n \left\{ \frac{(\Delta X_i + \Delta Y_i)}{(X_i + Y_i)} \right\} / n$$

i = No. of Machines; Where, $i = 1$ to n (n = no. of m/cs.)

X_i = Scheduled Delivery (no. of days)

ΔX_i = Supply delay (no. of days)

Y_i = Scheduled E&C (no. of days)

ΔY_i = E&C delay (no. of days)

3.3 Contract Execution Bank Guarantee (CEBG):

CEBG shall be required for all POs where value (Supply + E&C) of each P.O. is estimated to be more than **Rs. 20 lakhs**.

The successful vendor shall have to furnish a Contract Execution Bank Guarantee (CEBG) for **10%** of the Total PO value in the prescribed format within 30 days from the date of P.O. but before L/C opening. CEBG shall be from one of the Consortium Banks of BHEL or from a reputed Bank and confirmed by any Consortium Bank of BHEL. All bank charges on account of issuance and confirmation of CEBG whether incurred in India or outside India will have to be borne by the vendor.

CEBG shall be kept valid until 30 days after the date of E&C Certificate, which will be issued on completion of Erection & Commissioning of equipment which includes erection, commissioning, job proving, performance tests, training to operators etc. as prescribed in PO.

If the supplier fails to submit the CEBG even within 60 days from the date of PO, BHEL reserves the right to cancel PO & forfeit the EMD given by the supplier. In addition, in such case, action will be initiated in line with extant guidelines for Suspension of Business dealings with Suppliers.

3.4 Payment Terms:

3.4.1 Payment Through L/C:

Where the payments are through L/C (L/C opening charges are to be loaded), payment of Supply value shall be 80% on dispatch and 20% on issue of E&C

Certificate. Payment of E&C value shall be made against E&C certificate issued by BHEL. E&C certificate shall be issued on satisfactory completion of erection, commissioning, job proving, performance tests, training to operators etc. as envisaged in PO. The L/C shall be opened by BHEL as per following:

If payment terms as mentioned by BHEL are not agreed by bidder, such bidder have to submit Bank Guarantee at the time of payment / opening of LC in the prescribed Format of the amount, exceeding 80% of the PO value, valid till issue of E&C Certificate for the equipment. However, in no case, payment against dispatch shall exceed 90% of the PO Value.

Additionally, for any deviation sought including as mentioned above, in Payment Terms by bidder w.r.t. tender conditions, following loading shall be followed:

- (a) Benchmark Prime Lending Rate (BPLR) of SBI as applicable on the scheduled date of tender opening + 2%, for the amount & period of relaxation sought by bidder.
- (b) On account of payment through LC, if insisted by bidder, Bank charges shall also be loaded for the deviation in (i) opening of LC by BHEL and (ii) period and amount of LC w.r.t. NIT norms, as per the prevailing bank rates.

3.5 Value for Erection & Commissioning at BHEL:

3.5.1 Erection & Commissioning (E&C) value will include services to be rendered at BHEL like erection, commissioning, job proving, performance tests, training to operators etc.

The estimated percentage of E&C value shall be specified by the user department in Indent and shall be accordingly mentioned in the NIT.

E&C value should be quoted separately by bidders. Only in case where quoted value is less than the value (in %) specified in the NIT or separate E&C values are not mentioned in the offer, value for E&C portion shall be deemed to be considered as the value indicated in NIT & accordingly supply value will be adjusted from that quoted value and balance will be released as E&C payment as per clause 3.4 above.

NOTE: Broad guidelines for deciding % of E&C value are as follows for which final decision lies with the Indenter:

- E&C charges as 5% for general purpose machine tools (e.g. Lathes, Horizontal Boring, Vertical Boring, Drilling, Milling, Bending, Pressing, Shearing etc.)
- E&C charges can be higher than 5% in such cases where equipments require higher amount of assembly & erection work at Unit after supply of equipment such as Special Purpose Equipments, Process Plants, Furnaces, EOT Cranes, Shot Blasting equipments etc.
- E&C charges can also be reduced from 5% in such cases where equipments do not require erection after delivery but certain acceptance test & commissioning is required such as instruments (e.g. Oscilloscope, Partial Discharge Test equipment, Digital Multi-meters, Vibration Analyzer etc.), plug & use type equipments (e.g. Welding equipments), mobile material handling equipments (e.g. Hydra, Battery Trolley, Pallet Trolley, Stacker etc.) etc.

3.6 Time Period for 'SUPPLY' and 'E&C':

3.6.1 Bidder should quote time period separately for 'Supply' and 'E&C' of equipment.

3.6.2 NIT shall contain the condition that "The bidders should quote their earliest schedule for Supply and E&C against the schedule indicated in the NIT". BHEL, however, reserves the right to accept an offer not meeting the NIT schedule.

Keeping in view, the type of equipment, extent of complexity and time required for E&C, mobilization period etc. the 'Erection & Commissioning period' shall be mentioned in the NIT and agreed period shall be mentioned in the PO.

3.6.3 Wherever delivery period beyond NIT period is to be accepted/ rejected, it requires approval of next higher authority (one level higher than the authority competent for floating of enquiry) limited to Unit Head for recorded reasons for the same.

3.7 Penalty for Delay in 'SUPPLY' and 'E&C':

3.7.1 For the purpose of penalty for delay E&C of the equipment the duration will be reckoned from the date of intimation by BHEL to vendor for readiness of site.

3.7.2 Penalty on delay in 'Supply' and/or 'E&C' will be applicable to the delays attributed to vendor. Penalty will be considered separately for 'Supply' and 'E&C'.

The rate of penalty for delayed Supply shall be @ 0.5% per week of delay of total PO value (Supply + E&C) in supply subject to a maximum of 10% of total PO value (Supply + E&C).

The rate of penalty for delayed E&C shall be @ 0.5% per week of delay of total PO value (Supply + E&C) in E&C subject to a maximum of 10% of total PO value (Supply + E&C).

Maximum penalty for delay in Supply and E&C together shall be limited to 15% of total PO value (Supply + E&C).

In case PO includes more than one machine, the penalty shall be @ 0.5% per week of delay on total PO value (Supply + E&C) for the delayed machine.

3.7.3 Loading on account of non-acceptance of Penalty for delayed Supply and/or E&C shall be as under:

In case any bidder is not accepting the above penalty for delayed Supply and/or E&C, the offer of bidder shall be loaded to the extent to which it is not agreed by the bidder.

3.7.4 In case, any shortage is noticed viz-a-viz PO requirement in the main equipment / spares, such shortages shall be replenished by supplier on FOR destination basis without any cost implication to BHEL i.e. Custom Duty and freight charges etc. up to destination for such short supplies shall be borne by the supplier.

3.7.5 Supply period indicated by bidder should include reasonable time required for approval of drawings and other inputs from BHEL. In the Techno-Commercial Bid, the bidder shall submit milestones for various activities in co-relation with Supply and E&C period quoted by him.

OFFICE MEMORANDUM

Subject: - Regarding definition of Services and Works.

This Department is in receipt of a reference from Government e-Marketplace (GeM) regarding confusion amongst buyers on definition of Works and Services. GeM is stated to be in receipt of many references regarding availing certain Services like repair, maintenance, overhauling, Annual/ Comprehensive Maintenance Contracts (AMC/ CMC) of pre-owned products through GeM.

2. In this regard, following is hereby clarified:

- a) The construction, fabrication, repair, maintenance, overhaul, renovation, decoration, installation, erection, excavation, dredging, and so on, of Civil assets should be handled as procurement of Works.
- b) Procurement of new product along with Installation, commissioning, training, AMC/CMC should be handled as procurement of Goods.
- c) Procurement of Repair, Maintenance, Overhauling, AMC/CMC or similar work for existing Electrical or Mechanical assets should normally be handled as procurement of Services.
- d) In case of composite contracts for Goods and Services. If the procurement value of Goods is substantial and rendering of Service is incidental then such procurement should be handled as procurement of Goods. Similarly, if the procurement value of Services is significant and supply of goods is incidental to the contract then such procurement can be handled as procurement of Services.
- e) In any case, rules for procurement of goods and services are almost same.
