Tentative List of Brands

Generally medicines will be of reputed multinational or national brands. eg: GSK, Wallace, Pfizer, German remedies, Cipla, Ranbaxy, Dr Reddy's, Sun Pharma, Torrent, Cadilla, Alkem, USV, Serdia ETC. These are few names just for example. There may be many more as it depends on the prescriptions of the prescribing doctors. Even the medicines may be many others and requirements may differ as it can't be assessed prior.

Note:

1	The list of medicine is not exhaustive but indicative. It is based on the previous usage pattern which may not hold true in the future. The empanelled pharmacy will also have to supply medicines which are not mentioned in the list, as and when required by BHEL.
2	The brands name mentioned are tentative to give an idea about the type of brands that may be required. However, empanelled pharmacy will be required to provide the brands required by BHEL.
