Important Notes:

- 1) Qualified Engine Manufacturer (QEM) can offer 4-6 number of identical units required to meet the total power generation of 50 MW (+/- 10%).
- 2) Bidder to include the following in the Lumpsum price (A) for Gas Engine sets along with all the auxiliaries/Accessories quoted above.
 - a. Packing & Forwarding
 - b. Freight
 - c. Transit insurance

- 3) To meet the above QEM can submit alternate offers based on availability of models in his range. However, BHEL estimates the cost for providing additional facilities for every unit increase of Gas Engine above 4 nos as below
- INR 0 Crore in case of 4 nos. of units offered
 - INR 10 Crore in case of 5 nos. of units offered
 - INR 20 Crores in case of 6 nos. of units offered

which shall be added (after converting into the foreign currency quoted by bidder) to the total cost **(B)** quoted by Bidders for loading of price quoted for evaluation.

L1 offer will be evaluated based on Lowest Cost per MW among available offers, after loading as per above and evaluation as per 'Illustrative Example' available at Pg 32 of 38 in in NVVN Tender Document 'Bidding Doc No. NVVN/C&M/RE-53/2020-21 Section – II (ITB) and Bid evaluation Factor for Functional Guarantees at Bid Data Sheets

- Bidder to submit Unpriced Price Bid with "Quoted" above along with the techno-commercial bid.
- The price quoted, shall be exclusive of GST but inclusive of all other taxes and duties, including any cess or surcharge or levy/tax by whatever name called, imposed under GST law or any other law at any time, for which input credit is not available to BHEL under any interpretation of the law.
- GST at the applicable rates shall be payable extra. However, the same shall not be paid if the input credit thereof is not available to BHEL due to any reason attributable to QEM.
- The bidder to quote the rates of Spares, List of Recommended Spare parts in the enclosed Annexure to this Price Bid format
