

Annexure- II**TERMS & CONDITIONS FOR RC OF BALL VALVES**

1. Quantity given in Annexure-I is only an estimated requirement. The final quantity shall depend on BHEL's contractual requirements and may vary for the duration of the rate contract.
However, if the RC quantity is exhausted during the duration of the RC, then upto +30% of additional quantity may also be ordered.
2. The total volume of work shall be distributed among qualified vendors according to the formula given below.
L1 - 60%
L2 - 40%
All procurement shall be done at the L1 rate. In case L2 vendors refuses to supply at L1 rate, it will be removed from the consideration and the next L2 will be considered. If all the other qualified vendors refuse to supply at the L1 rate, 100% of the procurement shall be done from the L1 vendor.
3. The quantity required for a purchase indent shall be ordered from one vendor only. This requirement shall take precedence over clause 2 in the event of a conflict between the two.
4. BHEL reserves the right to revoke the contract at its discretion at any time without an explanation.
5. Items shall be supplied as per the product standard and QA plan enclosed with each indent. Product standard and QAP are enclosed for reference.
6. Quotation is to be given by the vendors on number basis.
7. Supplier to submit the point-wise compliance statement of attached product standard, quality plan and TPQR during enquiry.
8. Machining tools, jigs, fixtures, checking instruments etc., required are to be arranged by the vendor.
9. Inspection shall be carried out as mentioned in PO & QA plan.
10. Items to be ordered on number basis i.e., cost per number (in ₹)
