In their own interest the registered Bidders are advised to check the current status of the validity of the registration, which is one year from the date of the certification by the Chartered Accountant before submitting their Bid document/s. In the event that on the date of the tender opening the registration is not valid, then the Supplier will be treated under non-MSE category for this tender.

Offer/s received without these documents will be treated as non-MSE and order finalization will be done based on this premise.

Documents submitted after Bid-opening will not be considered in this tender.

This provision for MSE will apply subject to the condition that the participating MSE meets the tender requirements.

In case of any change in the MSE status of the Bidder, it shall be the responsibility of the Bidder to notify the change as a part of the Bid document. If at a later date it comes to the knowledge of BHEL, Ranipet that the change in the status has not been intimated by the Bidder and the order is obtained under the premise of an MSE then BHEL would cancel the pending order against this tender and take necessary steps for suspension of the business dealing with the Bidder as per the procurement policy of BHEL.

In case after the bid opening it is seen that no MSE has become LI, then depending on the nature of the item, if it is not possible to split the tendered items / quantities on account of reasons like customer contract requirements of supplying one make for a given project or technical reasons like the tendered item being a system etc. then BHEL would not counter offer the LI prices even though there may be MSE bidders within the +15% band of LI.

IN VIEW OF THE CONDITIONS FOR ISSUE OF ON-LINE C-FORMS IN TAMILNADU, ALL INVOICES ARE TO BE SUBMITTED WITHIN ONE MONTH FROM THE DATE OF DISPATCH. ELSE, REGISTRATION FOR ISSUE OF C-FORM IS NOT POSSIBLE AND BHEL WOULD NOT BE RESPONSIBLE FOR NON-ISSUE OF C-FORMS AND ALL CONSEQUENT FINANCIAL IMPLICATION IS TO SUPPLIER'S ACCOUNT ONLY.
