No other charges other than the quoted Freight rate will be paid by BHEL excepting applicable Terminal Handling Charges, Container cleaning Charges, DO charges to Shipping Liner at Discharge Port. 14 FREE DAYS FOR Container detention shall be provided. If any deviation is taken by Tenderer, a loading of 22% on the freight rate per MT shall be considered by BHEL for arriving at the Total landed Cost.</li> <li>In case of shipment through Containers on CFR basis, the BL should bear the endorsement that "14 free days for Container Detention is applicable".</li> </ol> |  |

**INFORMATION TO IMPORT SUPPLIERS:**

**A) The Indian Customs imposed, a penalty on late filing of Bill of Entries (Air/Sea Shipments) by the importer. The maximum free time allowed is 24 hrs from the time of arrival of cargo at final port of discharge. Rs.5000/- per day (for Initial 03 days) & Rs.10000/- per day (thereafter)**

- a.) The vendor should furnish the Non-Negotiable Documents (Air Way Bill/Bill of Lading, Commercial Invoice, Packing List, and Certificate of Origin) either by email or post/courier to BHEL well before the landing of cargo at final port of discharge.
- b.) Vendor will be held responsible for the penalty arises against the late filing of Bill Of entry due to:
- (i) Non availability of Non-Negotiable Documents (NNDs) before the cargo arrival
  - (ii) Discrepancy in documents
  - (iii) Short landing of Consignments (For shipments on CFR/CPT/CIF/CIP – Chennai Port)

**B) All the shipments for the contracts (POs) finalized on CFR -Chennai Port basis**

- (i) Delivery Orders involving multiple agencies like liners/freight forwarders are not allowed. There must be a single agency office at the final discharge Port (Chennai) for issuing the Delivery Order to BHEL.
- (ii) The detention/demurrage charges arise due to the delay in collection of Delivery Orders from multiple agencies of liner/freight forwarder also whose offices are not at available Chennai, the same amount will be deducted from Vendor's bills only.
- (iii) Apart from the normal charges like Terminal Handling Charges, Container cleaning Charges, Delivery Order Charges at final port of discharge no other charges will be borne by BHEL.
- (iv) The liner/freight forwarders should be properly communicated by the Vendor for not to claim such charges for issuing Delivery Order. If the liner/freight forwarder claims such charges in their invoices, the same amount will be deducted from the Vendor bills without any prior intimation in order to avoid the delay in Customs clearance. The likely additional/hidden costs or charges are:

- a. CIC - Container Imbalance Charges/Surcharges
- b. EIC - Equipment Imbalance Charge/Surcharges
- c. CAF - Container/Currency Adjustment Factor
- d. BAF - Bunker adjustment Factor
- e. RDS - Rupee Depreciation Surcharge
- f. CDS - Currency Depreciation Surcharge

**BREAKBULK CARGO**

- a) For CFR terms, moved through BREAK BULK BASIS (Suppliers should clearly specify this in their offer) it would be presumed by BHEL that the freight charges quoted is on LILO (LINER IN LINER OUT) basis.
- b) The materials will be Custom cleared from Port itself.

**10 Transport Conditions for Import:**

The Original Documents (Bill of Lading, Invoice, Packing List, Certificate of Origin & Test Certificate) shall reach BHEL well in advance before the vessel arrival. The soft copies of the above shall be forwarded to BHEL immediately after shipment.

- a) In the event of delayed submission of documents by the supplier, an amount up to 5% of the invoice value will be retained towards demurrage & other charges and the difference if any between actual charges and recovery will be settled separately through supplementary invoice.
- b) In such cases, the Supplier shall authorize the Steamer / Shipping agent / transporter to freely release the consignment to BHEL by providing a "Surrender Bill of Lading".
- c) Otherwise, No-objection Certificate shall be issued to the Liner, authorizing BHEL to get the Delivery Order without producing the Original Bill of Lading.
- d) This is required to ensure avoidance of demurrage at Chennai Sea-port that may arise in case of delayed presentation of documents by the Seller.

**11 Payment terms:****A. Indigenous:**

- i) BHEL Payment term is 100% direct EFT payment after 45 days from the date of receipt and acceptance of materials.

- ii) The duplicate copy of the invoice meant for the transporters should accompany the material as stipulated under C.E. rules 52a and 173c (or) 57gg. A Photostat copy of the above invoice for each Delivery Challan should be submitted along with the original bills routed through bank or submitted directly to BHEL finance department.

| 17 | <p><b><u>Comprehensive Economic Partnership Agreement (CEPA):</u></b></p> <p>Foreign suppliers shall ensure that the benefits as applicable under comprehensive economic partnership agreement (CEPA) with government of India are disclosed in the bid and relevant documents such as certificate of country of origin, issued by the appropriate authority in the country of exports, is provided by the vendor along with dispatch documents. Bids shall be evaluated with such applicable benefits. In the event of seller failing to provide appropriate documents for purchasers to avail disclosed concessional duty benefits in India, financial loss, so incurred, will be to the seller's account.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |  |
| 18 | <p><b><u>Role of Agents</u></b></p> <p>a. BHEL strongly discourages the engagement of Agents by foreign principals, to deal with BHEL, in BHEL's tenders.</p> <p>b. In case of foreign suppliers representing through their Indian/foreign agents, agency agreement should be submitted, else offer is liable for rejection. Agency agreement requirements attached as separate file and full compliance to it shall be ensured while submitting the same.</p> <p>a. BHEL, due to business reasons would ban, would have banned Indian agents from dealing with BHEL. Any foreign principal who engages such a banned agent, or an employee of the banned agency, or any other person connected with the banned agency, at any time during the tender proceedings, would be disqualified from the tender proceedings. The decision of BHEL in this regard shall be final and be binding on the OEM. Hence in their own interests, prospective tenderers may check with BHEL. The list of banned firms is available on BHEL website <a href="http://www.bhel.com">www.bhel.com</a>.</p> <p>In view of the requirement of BHEL, it is strongly suggested that in their own interest, foreign principals may desist from engaging any Indian agent and deal with BHEL directly and it is stressed that any Main producer proposing to deal with BHEL by engaging and through an Indian Agent does so at their own risk. BHEL shall in no way be responsible for any consequences that may arise to the foreign principal on account of the antecedents / actions of their Indian agent.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |  |

| 20 | <p><b><u>Evaluation Criteria:</u></b></p> <p>The offers of both import vendors and indigenous vendors will be evaluated on total landed cost to BHEL, Trichy. The evaluation details with respect to the import &amp; indigenous vendors is detailed below:</p> <p><b><u>I) Indigenous Vendors</u></b></p> <p><b>Total Landed cost = FOR Rate in INR (A) + Applicable Taxes (B) + Loading for payment term &amp; LD (C) – Applicable input tax credit (D)</b></p> <p>A. Indigenous vendors submit offers on Free on Road (FOR), Trichy in INR.</p> <p>B. Excise Duty, CST or VAT on (BASE PRICE+ED) and any other charges quoted by indigenous vendors will be added to the base price.</p> <p>C. Loading for payment terms &amp; non-acceptance of Liquidated Damages (LD) will be added to the FOR value for arriving the landed rate.</p> <p>D. However input credit is availed for ED, VAT &amp; Service Tax, hence the same is excluded for arriving at the landed cost.</p> <p><b><u>II) Import Vendors</u></b></p> <p><b>Total Landed cost = CFR Rate in INR (A) + Loading for inland transportation of Containers to CONCOR INTVT6 (B)+ Applicable Duties (C) + Incidental Charges (D) + Loading for Container Shipment (E) + Loading for payment term &amp; LD (F)</b></p> <p>A. Import vendors to submit offers on CFR (Cost &amp; Freight), Chennai port (LILO – Liner In Liner Out) basis in foreign currency, which will be converted to INR by multiplying with the Exchange rate (SBI TT Selling rate) as on the technical bid opening date.</p> <p>B. Loading for non-acceptance to Inland transportation from Chennai port to CONCOR INTVT6</p> <p>C. Customs duty &amp; any other duties as applicable will be added to the INR price.</p> <p>D. Incidental charges of 1.5% will be added to the CFR Value. The incidental charge is inclusive of Insurance, port handling charges, &amp; freight charges for movement from Chennai port to BHEL, Trichy.</p> <p>E. In case of shipment through containers, If 14 free days for Container detention is not provided in the offer, a loading of 22% on the freight rate per MT shall be considered by BHEL for arriving at the Total landed Cost.</p> <p>F. Loading for payment terms &amp; Non-acceptance of Liquidated Damages (LD) will be added to the CFR value for arriving at the landed cost.</p> |  |

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |  |

## 9. WORKMANSHIP AND FINISH:

The Inside & outside surfaces of the tubes shall be free from any imperfections. The material shall be plain, uniform in quality and condition, smooth, straight or flat and free of wrinkles, overlaps, tears, cracks & defects like laps, seams, folds, cracks, pitting etc. No repairs/weld repairs permitted. Tubes (inside & outside) to be cleaned to remove scales after HT.

## 10. PACKING:

Thickness  $\leq 2.5\text{mm}$ . in boxes and others in bundles. Tubes of thickness  $\geq 6.5\text{mm}$  and OD  $\geq 88.9$  can be shipped loose. Bundles to be  $\leq 4$  tons of equal no. of tubes, fastened with galvanized strap (1x25mm.min.) or annealed wire for CS & AS and by Nylon strap for SS at both ends & at 1m interval in between. Wooden pallets to cover tubes are not permitted. Tube ends shall be closed with plastic end caps / plugs secured for storage.

## 11. INSPECTION & CERTIFICATION:

- Products shall be inspected at works and the applicable IBR Form must be Countersigned by the Inspecting Authority as indicated below:
- Imported Items: Inspecting Authority approved by IBR for the Country of origin (To be concurred by BHEL before placing PO). Indigenously Supplied items: Boiler Inspectorate/Directorate of respective State.
- Certification in IBR Form-IIIE for IBR items from "IBR-Well Known tube Maker" and for Others IBR Form-IIIB as per enclosed format to be submitted.
- Manufacturer's Test certificate (MTC) (ORIGINAL in ENGLISH with following details):
  - Purchase Order No. (BHEL), TDC No. & Test certificate No., Size and Quantity-Melt wise.
  - Specification and Grade with year of code, Code case number, Heat Number, Tube making process, chemistry including incidental elements-Ladle and product Analysis.
  - Supplier TC of the alloy used in making the finished product – Well known steel maker IBR Form IV & others Form IVA.
  - Details of ingot, Melting & forming process, Chemistry including incidental elements - Heat wise.
  - Heat treatment details of the material and test bars, Mechanical test results, creep test report with reference & acceptance standard.
  - NDE examination test results with reference & acceptance standard.
  - Results of dimensional data sheet

All the tests specified here shall be carried out at works and the test results shall be furnished in the test certificates (4 copies). The jobs shall be inspected and certified by the inspecting agency authorised by BHEL, as specified in the purchase order.

## 12. QUALITY PLAN

Before start of production the manufacturer shall submit a Manufacturing and Inspection plan (MIP) to BHEL product QA for approval. The MIP shall constitute of:

- |                                         |                                                                |                                                                 |
|-----------------------------------------|----------------------------------------------------------------|-----------------------------------------------------------------|
| i) Melting & refining,                  | vi) Internal tests and inspection before final heat treatment, | xi) Marking preservation and dispatch,                          |
| ii) Ingot weight and type,              | vii) Final heat treatment along with parameters,               | xii) Test instructions for NDE examinations along with sketches |
| iii) Hot rolling/extrusion process      | ix) Test and inspections after heat treatment                  | xiii) Type of machining and examinations.                       |
| iv) Top bottom end discard percentages, | x) Test certificate requirements,                              |                                                                 |
| v) Position of the part in ingot,       |                                                                |                                                                 |
| vi) Preliminary heat treatment,         |                                                                |                                                                 |

## 13. AUDIT CHECKS AT BHEL

BHEL reserves the right to carry out audit checks for chemistry, HT condition, mechanical test and NDT on representative test samples or job. Supplies found defective during check or subsequent processing at BHEL are liable for rejection.

|               |                    |                 |                   |                   |

#### Record of Revision:

Rev 00 dt 02/03/15 – Fresh Issue

1. **SCOPE:** This TDC covers tubes of UNS N06617 (SB167) with wall thickness  $\geq 3.6\text{mm}$ , for use in AUSC boilers.

#### 2. MATERIAL:

Specification : ASME SB167 (Latest on the date of Purchase Order)  
Material : UNS N06617  
Additional Requirement : As listed below (Supplementary to Specification)  
Size and Qty. : As per Purchase order

#### 3. CHEMICAL COMPOSITION AND PROCESS:

Material shall be produced by using vacuum induction melting (VIM) and vacuum arc re-melting (VAR) or electroslag refining (ESR).

Product Analysis: As per spec. Raw materials used in making of tubes including incoming scrap shall be checked by supplier to ensure freedom from radioactivity. Tubes shall be made by seamless process/ extruded process and shall be hot worked annealed or cold work annealed.

Heat Analysis in weight %: Test method as per ASTM E1473

| Element | Cr    | Fe      | Mn      | Mo   | Co    | Al      | C         | Cu       | B           | Si      | S         | N        | Ti      | Ni  |
|---------|-------|---------|---------|------|-------|---------|-----------|----------|-------------|---------|-----------|----------|---------|-----|
| Wt %    | 21-23 | 1.5 max | 0.3 max | 8-10 | 11-13 | 0.8-1.3 | 0.05-0.08 | 0.05 max | 0.002-0.005 | 0.3 max | 0.008 max | 0.05 max | 0.3-0.5 | Bal |

#### 4. DIMENSIONAL TOLERANCES & STRAIGHTNESS:

Permissible outside diameter variation is  $\pm 0.25\text{ mm}$ . Permissible wall thickness variations:  $-0\%$  to  $+10\%$  of the specified minimum wall thickness.

#### 5. HEAT TREATMENT:

UNS N06617 – solution annealed condition at  $1150\text{ }^{\circ}\text{C}$  to  $1180\text{ }^{\circ}\text{C}$  (suggested temperature).

#### 6. MECHANICAL TESTS:

Extent of test: for each size/heat/HT batch; on final heat treated condition samples:

Quantum of Tests: (as per IBR): Minimum two tubes for first 100 tubes and one per 100 or part thereof for tubes over 100 numbers

UNS N06617: Tensile Strength: Min 665 Mpa, Yield Strength (0.2% off set): Min 240 Mpa, Elongation ( $L=5.65\sqrt{A}$ ), min 35%

Micro: Grain size ASTM 3 to 5

#### 7. NON-DESTRUCTIVE TESTING & HYDRO TESTING: (Preferably on-line automated)

Each tube shall be examined for its integrity of full section over its entire length.

**Ultrasonic Testing:** For thickness equal to and greater than  $3.6\text{ mm}$  UT shall be conducted as per ASTM E213. Calibration: 2 axial notches (one ID & one OD) and two transverse notches (one OD and one ID) shall be used to standardise the system settings (to draw DAC). Notch shall be of length 50mm and depth 5% (maximum) of nominal thickness of job (Minimum depth shall be 0.3 mm and maximum 1.5mm). For OD less than 30mm axial, transverse notches in outer surface (OD) is sufficient for calibration. The direction of scanning shall be clockwise & anti clockwise. Scanning shall be done with scanning sensitivity of reference level plus 6 dB. Evaluation shall be carried out with reference sensitivity.

Acceptance criteria: Any discontinuity crossing the DAC shall not be acceptable irrespective of length. Any discontinuity with indication less than DAC shall be sized and if the length of discontinuity is greater than 10 mm it shall not be acceptable. All indications shall be sized and reported

**Hydro testing:** Extent of test: On all tubes as per ASME SB 829 Cl 5.2 with  $S = 163\text{MPa}$ .

#### 8. MARKING :

Details to be identified on each tube continuously along the entire length (in English only):

1) PO Number 2) Maker's emblem/code 3) Specification & grade 4) Heat number 5) Size, 6) No. of tubes, 7) Inspector's seal  
8) Condition: Hot finished or Cold Finished

i) Below OD 31.8mm.(Excl.)- Sl.No:1 to 8 to be stamped on metal/plastic tag attached to bundle.

ii) OD 31.8-76.1mm.(Incl.) - Sl.No: 1 to 5 and 8 to be paint stenciled on each tube, Sl.No:1 to 8 to be stamped on Metal/Plastic tag attached to bundle.

iii) OD > 76.1 mm. - Sl.No: 2,3,4,5 & 7 to be hard stamped with round edge stamp at 100mm from both ends and Sl.No:1 to 5 and 8 to be paint stenciled on each tube.

(TO BE STAMPED IN ACCORDANCE WITH STAMP ACT AND THE EXPIRY DATE OF BG MUST BE AFTER 60 DAYS FROM THE DATE OF COMPLETION OF WARRANTY PERIOD)

#### PERFORMANCE BANK GUARANTEE

In accordance of M/s. Bbarat Heavy Electricals Limited (A Government of India undertaking, a company incorporated under the Companies Act 1956 having its Registered Office at "BHEL House", SIRI Fort, New Delhi 110 049) through its High Pressure Boiler Plant Division located at Tiruverumbur, Tiruchirapalli- 620 014 (hereinafter called 'the Company') having entered into a contract with .....hereinafter called 'the said contractor' which term includes 'suppliers' for the purpose of this Bond and under the terms and conditions of the contract No. .... Dt ..... Between BHEL, Trichy and as per the contract, the contractor / supplier is to furnish a performance Bank guarantee for Rs. .... for the due performance of the equipment to be supplied under the above referred contract and for the fulfillment of all the terms and conditions of the contract, We .....(indicate the name of the bank) (herein after referred to as the bank) at the request of ..... (Contractor(s) ) do here by undertake to pay the company an amount not exceeding Rs. .... against any loss or damage caused to or suffered or would be caused to or suffered by the company by reason of any breach by the said contractor (s) of any of the terms and conditions contained in the said agreement.

2. We .....(indicate the name of the bank with full address), do hereby undertake to pay the amounts due and payable under this guarantee without any demur, merely on a demand from the Company stating that the amount claimed is due by way of loss or damage caused to or would be caused to or suffered by the Company by reason of breach by the said Contractor(s) of any of the terms and conditions contained in the said Agreement or by the reason of the contractor(s) 'failure to perform' the said agreement. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs. ....

3. We undertake to pay unconditionally to the Company any money so demanded notwithstanding any dispute(s) raised by the Contractor in any suit, or proceedings pending before any Court or Tribunal or Arbitration or before any other authority relating thereto our liability under this present being absolute and unequivocal. The payment under this guarantee would not wait till the disputes have been decided by any Court or Tribunal or in the arbitration proceedings or by any other authority. The payment so made by us under this Bond shall be a valid discharge of liability for payment thereunder and the Contractor(s) shall have no claim against us for making such payment.

4. We.....( indicate the name of Bank), further agree that the guarantee herein contained shall remain in full force and effect during the period that would be taken for the performance of the said Agreement and that it shall continue to be enforceable till all the dues of the Company under or by virtue of the said Agreement have been fully paid and its claims satisfied or discharged or till ..... Office / Department/ Division of the Company certifies that the terms and conditions of the said Agreement have been fully and properly carried out by the said Contractor(s) and accordingly discharges this guarantee.

5. (I) Unless a demand or claim under this guarantee is made on us in writing on or before the \_\_\_\_\_ we shall be discharged from all the liability under this guarantee thereafter. But where such claim or demand has been preferred by the Company with the Bank before the expiry of the said date, the claim shall be enforceable notwithstanding the fact that the said enforcement is effected after the said date.
- (ii) For the purpose of this clause, any letter making demand on the Bank by M/s. BHEL dispatched by Registered Post with Ack.Due or by Telegram or by any Electronic media addressed to the above mentioned address of the Bank shall be deemed to be the claim / demand in writing referred to above irrespective of the fact as to whether and when the said letter reaches the Bank, as also any letter containing the said demand or claim is lodged with the bank personally.
6. We .....(Indicate the name of Bank), further agree with the company that the Company shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the said agreement or to extend time of performance by the said Contractor (s) from time to time or to postpone for any time or from time to time any of the powers exercisable by the Company against the said Contractor(s) and to forbear or enforce any of the terms and conditions relating to the said Agreement and we shall not be relieved from our liability by any reason of any such variation or extension being granted to the said Contractor(s) or for any forbearance, act or omission on the part of the company or any indulgence by the company to the said Contractor(s) or by any such matter or thing whatsoever which under the law relating would, but for this provision, have effect of not so relieving us.
7. This guarantee will not be discharged due to the change in the constitution of the Bank or the Contractor(s).
8. It shall not be necessary for the company to proceed against the contractor before proceeding against the guarantor-bank and the guarantee herein contained shall be enforceable against them notwithstanding any security, which the company may have obtained or obtain from the Contractor shall, at the time when proceedings are taken against the guarantor hereunder be outstanding or unrealised.
9. Any claim or dispute arising under the terms of this document shall only be enforced or settled in the Courts at Tiruchirapalli.
10. The guarantor hereby declare that it has power to execute this guarantee and the executant has full powers to do so on its behalf under the proper authorities granted to him/them by the guarantor.
11. We .....(Indicate the name of Bank) lastly undertake not to revoke this guarantee during its currency except with the previous consent of the company in writing.

In witness whereof we....., (Indicate the name of Bank) have hereunto setout  
Bank Seal the \_\_\_\_\_ day \_\_\_\_\_ month 200
