Ref: MM: Pur: Pipes-AP15LGRB Rev 01

Dt: 17.08.2019

PART – A

Pre-Qualification Requirements (PQR) for the procurement of Seamless/ Welded API 5L Gr B Pipes through Open Tender (As per TDC:0:109 Rev 02)

Cl. No.	BHEL's requirement	Document to be submitted with offer												
A. ORGANIZATIONAL CAPABILITY														
1	Offers from traders and stockists are not acceptable and will not be considered for evaluation. Manufacturers of Seamless/Welded Pipes are preferred. However, agents submitting offer on behalf of original manufacturer/supplier shall not represent more than one manufacturer/supplier in the same Tender. In case offers are received from both the manufacturer/supplier and the agent, the offer by the agent shall be ignored.	1. Product Catalogue 2. Agency Agreement, in case offer is submitted by agent												
2	Manufacturer / Supplier is required to have basic in-house manufacturing facilities including Testing facilities for NDE and Hydro, to get the offer qualified for further evaluation.	Supplier Facility Report												
3	If the supplier is not having steel making facility, then source of raw material for the manufacturing shall be indicated and <i>the supplies should be restricted to the indicated list of raw material suppliers</i> . If the supplier is dependent on more than one source for steel making, all the sources should be indicated and the supplies should be restricted to the indicated list of raw material suppliers. For the submitted raw material sources, the supplier shall confirm that the raw material test certificate(s) will be furnished along with product test certificate(s).	List of raw material sources												
4	Chemical, Mechanical testing shall be done in house or at labs certified as per ISO 17025 or Government approved labs.	Relevant Document												
5	Offers shall have to be accompanied with Supplier's valid ISO 9001 certificate or Quality management system certificate or Written down procedure.	Relevant Document												
6	Supplier's mill shall have a valid license to use API 5L Gr B PSL2 Monogram during bidding, manufacturing and dispatch of the pipes.	Valid API 5L GrB PSL2 certificate												
B. TECHNICAL COMPETENCE														
1	Point by point confirmation to the TDC requirements is mandatory for consideration of offer and signed TDC shall be submitted.	Signed TDC												
2	Bidder shall submit the manufacturing process flow chart (Raw material to finished product) to meet the tendered TDC requirements.	Flow chart												
C. PAST EXPERIENCE / PERFORMANCE														
1	Offers shall indicate the annual installed capacity of the supplier/manufacturer for the tendered specifications which shall be more than the tendered quantity for each specification.	Self-Declaration for annual Installed Capacity												
2	Supplier shall have manufactured and supplied Pipes in each of the Tendered Specification, covering minimum and maximum sizes of the Tendered specifications. Details of supplies made in recent past shall be provided in the format below: <table><tr><td>Project/ package</td><td>Customer Name</td><td>Supplied Item (Specification & Size)</td><td>PO ref no/date</td><td>Supplied Quantity</td><td>Date of Supply</td></tr><tr><td></td><td></td><td></td><td></td><td></td><td></td></tr></table> If credential is not available for any specific tendered size, then specific declaration shall be submitted by mill stating the capability to produce that quoted size/s.	Project/ package	Customer Name	Supplied Item (Specification & Size)	PO ref no/date	Supplied Quantity	Date of Supply							Supply experience list, Unpriced Purchase order and corresponding Material Test certificate
Project/ package	Customer Name	Supplied Item (Specification & Size)	PO ref no/date	Supplied Quantity	Date of Supply									
D. FINANCIAL SOUNDNESS														
1	Supplier shall submit credentials to establish their Financial Soundness. Foreign Suppliers - shall submit Latest report from a reputed Third Party Business Rating Agency like Dun & Bradstreet, Credit Reform. Indian Suppliers – shall submit Audited copies of annual reports / Complete set of Annual Reports for the last four years (or from date of incorporation whichever is less)

PART – A

Pre-Qualification Requirements (PQR) for the procurement of Seamless/ Welded API 5L Gr B Pipes through Open Tender (As per TDC:0:109 Rev 02)

E. GENERAL	
1	Supplier shall engage experienced and qualified manpower, wherever required, for manufacturing, quality, welding, heat treatment and NDE requirements.
2	BHEL/End customer reserves the right to inspect the first lot of materials at supplier's works before giving clearance for bulk production or inspect the item ordered at any stage and if found not meeting the stipulated conditions, material is liable for rejection.
3	BHEL shall consider/Not-consider the offers based on the evaluation of documents submitted for the above Pre-Qualification Criteria. If required BHEL shall make on-site assessment of the facilities at supplier's works during the bid evaluation.
