The screenshot shows the BHEL - EPS Enterprise Procurement System website. The browser address bar displays <https://bheleps.buyjunction.in/BQEPS/security/signInAction>. The page header includes the BHEL logo, a 50th Golden Jubilee banner, and the text "Enterprise Procurement System Ver 3.2". The date and time are "Wednesday, September 14, 2016 9:52:26 AM".

The navigation bar contains the following links: **Register** (circled in red), Verify DSC, Bidder Manual, FAQs, Audio Visual for Settings, About Us, and Contact Us. Below the navigation bar is a "Browser Setup" link.

The main content area features a large image of a BHEL industrial facility. To the right of the image is a section titled "Information" with the text: "No charges are levied for registration to the websites" followed by the URLs <https://bheleps.buyjunction.in>, <https://procurement.metaljunction.com>, <https://pgcileps.buyjunction.in>, and <https://eps.buyjunction.in>. Below this is another "Information" section stating "Mjunction has not employed any third".

At the bottom of the main content area is a "Tender Notice-(Latest 10 Nos Live Open Tenders Unitwise Which Is Displayed, For More Please Click Advanced Search) >" and an "Advanced Search" button.

The "User Login" section on the right includes input fields for "User Id" and "Password", a "SELECT" dropdown menu, and buttons for "Submit", "Register", "Forgot Password?", and "Reverse Auction".

The footer displays a table with columns: SR. No., RFQ Code, Publish Date, and Due Date. The first row shows the URL <https://bheleps.buyjunction.in/BQEPS/admin/userPanInput.screen?OWASP...>.
