ENQUIRY NO. T7E1S30340 (NIT_48604)

Supply/ Delivery of Off-Base Gas Conditioning System (Scrubber cum Filter Separator Skid and Fine Filter Skids) for IOCL Barauni Fuel Gas Conversion Project

All Bidders may please note the following regarding the Dummy Form in Price Bid Forms in e-procurement portal:

1. This tender is for purchase of **Off-Base Gas Conditioning System (Scrubber cum Filter Separator Skid and Fine Filter Skids)** for IOCL Barauni Fuel Gas Conversion Project.
2. The scope of supply and NIT conditions shall be as per enclosed technical specifications and commercial documents.
3. **Evaluation shall be done for each of the two Packages separately, i.e. evaluation shall be separate for “Scrubber cum Filter Separator Skid” Package and “Fine Filter Skids” Package. Further, for each Package, evaluation shall be on the basis of Net Landed Cost to BHEL as per the Price Bid Format.**
4. Bidders will find three Price Bid Forms in e-procurement portal for this enquiry – first is for Scrubber cum Filter Separator Skid Package, second is for Fine Filter Skids Package and third is a Dummy Form.

Bidders have to quote in at least two forms. Bidders wishing to quote for one Package only have to fill the Price Bid Form of that Package and the Dummy Form. Likewise, bidders wishing to quote for both the Packages have to fill the Price Bid Forms of both the Packages and the Dummy Form also.

Filling the Dummy form is a *mandatory* requirement due to system limitation. However, values filled in Dummy Form will not be used for bid evaluation.

5. Prices **shall be filled in EPS only**. Bidders are also requested to go through the Notes provided with the Price Bid Forms before filling the prices.
