This corrigendum contains following amends in the specifications and shall form a part of the above tender. This corrigendum is to be submitted, duly signed and stamped, along with the Technical bid (Part-I).

1.0 Alteration in Clause 39.1

ORIGINAL

39.1 The contractor shall, at his own expenses (Inclusive of Taxes), provide all materials required for the work.

REVISED

39.1 The contractor shall, at his own expenses (Inclusive of Taxes), provide all materials required for the work except Cement. The Cement for the subject works will be provided by BHEL as a Free of Cost Issue and will have to be stored by the Contractor.

Cement, as received from the Manufacturer/ Stockiest will be issued to the contractor. The theoretical weight of each bag of cement for issue purpose will be considered as 50Kgs. Per Bag. Any type of cement and in any container as received from Manufacturer/ Stockiest shall be issued to the contractor No claim whatsoever shall be entertained on this. Cement bags weighing upto 4% less will be accepted by the contractor and accounted for as 50Kg per bag.

The Contractor shall maintain good stores for storing the cement issued to him. The flooring of the storage house, the clearance of cement bags from the side walls etc., shall be as per the instructions of the Engineer-in-charge.

The cement stores shall be open for supervision and verification by the Engineer-in-charge or his authorised representative by any time when the Engineer-in-charge feels the need to do so.

All the cement thus issued shall be properly accounted for as per the following permissible wastage over the theoretical quantity/ consumption incorporated in the works.

Item	Area	Permissible variation
Cement	For all works	2 %

2.0 All other terms and conditions against this NIT shall remain unchanged.
