

**MAKE OF COMPONENTS**

|                                                                    |                                                          |
|--------------------------------------------------------------------|----------------------------------------------------------|
| ACB                                                                | C & S ELECTRIC LTD. / SIEMENS/ SCHNEIDER/ L&T            |
| SWITCH/ SWITCH FUSE UNIT                                           | C & S ELECTRIC LTD. / SIEMENS/ SCHNEIDER/ L&T            |
| HRC FUSE LINK & FUSE BASE                                          | C & S ELECTRIC LTD. / SIEMENS/ SCHNEIDER/ L&T            |
| CONTACTOR & OVER LOAD RELAYS                                       | C & S ELECTRIC LTD. / SIEMENS/ SCHNEIDER/ L&T            |
| MCCB/MPCB                                                          | C & S ELECTRIC LTD./L&T / SIEMENS/ SCHNEIDER/            |
| INDICATING/MEASURING INSTRUMENT                                    | AE/RISHAB/MECO                                           |
| CURRENT TRANSFORMER                                                | PRAGATI/PRAYOG/PRECISE/G&M                               |
| PROTECTION RELAY                                                   | AREVA/ABB/SIEMENS                                        |
| POTENTIAL TRANSFORMER                                              | PRAGATI/PRAYOG/PRECISE/G&M                               |
| SELECTOR SWITCH                                                    | KAYCEE/SALZER/SIEMENS                                    |
| INDICATING LAMP(LED CLUSTER TYPE)                                  | L&T/ RASS CONTROLS/BINAY/TEKNIC/SCHENIDER                |
| PUSH BUTTON                                                        | L&T/SIEMENS/BCH/TEKNIC/ SCHNEIDER                        |
| CABLE GLAND                                                        | COMET/DOWELLS                                            |
| CABLE LUGS                                                         | DOWELLS                                                  |
| CONTROL TERMINALS FOR DRAWOUT<br>/POWER TERMINALS FOR FIXED MODULE | C & S ELECTRIC LTD.(WAGO)/CONNECTWELL/ELMEX/PHONIX/TOSHA |
| TRANSDUCERS                                                        | AE/ABB/ SOUTHERN TRANSDUCERS/RISHAB INSTRUMENTS          |
| BREAKER CONTROL SWITCH                                             | KAYCEE/SIEMENS/SALZER/AREVA                              |
| SPACE HEATER                                                       | C & S ELECTRIC LTD.                                      |
| THERMOSTAT                                                         | ANCO/TEMPROL/VIKAS ELECTRIC/AI/RENUTROL                  |
| SWITCH SOCKET                                                      | CG(SCHENIDER)/ANCHOR/BEST & CROMPTON/BCH                 |
| CONTROL TRANSFORMER                                                | KAPPA/IND COIL/PRECISE/SOUTHERN ELECTRICAL               |
| NEUTRAL LINK                                                       | C & S ELECTRIC LTD./CANDS/L&T/SIEMENS/SCHENIDER          |
| INTERPOSING RELAY                                                  | OEN/SALZER (L&T)/OMRON                                   |
| WIRE                                                               | ISI CERTIFIED                                            |
| TIMER                                                              | L&T/SIEMENS/ALSTOM//SCHENIDER/C&S                        |
| KWH/TVM METER                                                      | L&T/SECURE/CONZERV                                       |
| ETHERNET SWITCH                                                    | HIRSCHMANN / RUGGEDCOM/ GARRETTCOM                       |
| AUX RELAY                                                          | AREVA/ABB                                                |
