Sheet 1 of 1

PROJECT: 1 X 660 MW PANKI TPS EXTENSION
PACKAGE: CONDENSATE POLISHING UNIT
DEPARTMENT:- MECHANICAL AUXILIARY
REVISION:- REV 00

PRE-QUALIFICATION REQUIREMENT – CONDENSATE POLISHING UNIT

The bidder is required to meet the Provenness criterion and / or qualification requirement for condensate polishing unit as per criteria stipulated below:

1A) The Bidder should have designed, supplied, erected and commissioned at least one (1) Condensate Polishing Plant of mixed bed, deep bed type consisting of service vessel of minimum capacity of 500 M3/hr. The plant shall have external regeneration system, incorporating the same resin separation and regeneration process as proposed by the Bidder for this package. The above plant should have been in successful operation for a period of at least one (1) year as on 02.11.2015.

1B) The Bidder who do not meet the qualification requirements stipulated at clause (1A) above, may also participate provided the Bidder is a Contractor in water treatment plant and has executed at least one (1) number ion exchange based demineralising plant of minimum capacity of 60 Cu.m/hr consisting of maximum two (2) streams and associates for this bid with an associate who in turn fully meets the requirements stipulated at clause (1A) above.

In such case, the Bidder shall be required to furnish a Deed of Joint Undertaking(s) (DJU) jointly executed by the Bidder and the Collaborator/Associate and each executant of DJU shall be jointly and severally liable to the owner for successful performance of Condensate Polishing Plant, as per the Deed of Joint Undertaking(s) (DJU) format. The Deed of Joint Undertaking(s) (DJU) should be submitted by bidder at the time of placement of order. In such a case, the Collaborator /Associate shall be required to furnish on demand bank guarantee for INR 2.8 Million (Rupees Two Million eight hundred thousand).

- 2) The supplier has to submit performance certificate in English from end user along with copy of Purchase Order, meeting above mentioned pre-qualifying requirement.
- 3) Bidder to submit design documents to substantiate technical parameters specified in PQR, if the same is not mentioned in performance certificate/purchase order.
- 4) In case documents submitted for meeting PQR are in language other than English, notarized English translation shall also be submitted.
- 5) PEM registered vendors are also required to submit the credentials to meet the PQR.
- 6) Bidder shall provide all necessary data such as type, design, make, capacity, duty conditions, date of commissioning/ operation etc.
- 7) Notwithstanding anything stated above, BHEL/ UPRVUNL reserves the right to assess the capabilities and capacity of the bidders to perform the contract, should the circumstances warrant such assessment in the overall interest of BHEL/ UPRVUNL.
- 8) Final acceptance of Bidder is subject to UPRVUNL approval.
