### PRICE BID FORMAT

#### SCHEDULE 'A'

**Annexure: I**

Name of Work: Hiring of tractor for tanker service in BHEL Township along with its vicinity and hiring of tractor with diesel pump mounted tanker for tanker service in BHEL Township.

S.No	Description of items	Qty.	Unit	Rate (Rs.)	Amount (Rs.)
1	Deployment of tractor with driver and fuel for working shifts of eight hours each on hire basis. Capacity of tractor shall be 35 HP or more of standard make such as Escorts, HMT, Ferguson etc, which can carry water tanker of different capacities for water supply work on as and when required basis as per the direction of engineer-in-charge. (Maximum demand of tractor may be 03 Nos at a time). The rate shall be inclusive of all the expenses like diesel,oil, grease etc. and also its repair and maintenance expenses. <u>Note:-</u> Providing tanker and water shall be in the scope of BHEL. 365 days X 2 shifts per day = 730 shifts additional 120 days X 1 shift = 120 shifts Total quantity( 730 + 120) =850 shifts	850.00	Per tractor Per Shift	758.57	644784.50
2	Hiring of tractor of capacity 35 HP or more of standard make such as Escorts, HMT, Ferguson etc, with water tanker including lifting diesel pump mounted on it with delivery hose pipe of suitable capacity for supply of potable water The rate shall be inclusive of all the expenses like diesel,oil, grease etc. and also its repair and maintenance with necessary operating staff (i.e. driver) and one male mazdoor with each tanker for supply of water upto any height in township area. <u>Note:-</u> (Providing / arranging for potable water and water point shall be in BHEL scope)				
	Water tanker of capacity 4000 litre.	800.00	per trip	247.02	197616.00
<b>Gross Value of Annexure-I=</b>					<b>842400.50</b>
	Percentage quoted by the Contractor	%	Above	Below	At Par
	Percentage quoted by the Contractor in words				
1	A Logbook shall be maintained on daily basis to have record of execution of above said items.				
2	In spite of instruction by Engineer-in-charge, if the contractor fails to deploy tractor in a shift as per item no.1 and/or fails to deploy tractor attached with diesel pump mounted tanker as per item no.2, penalty will be imposed at double the awarded rate of the respective item of the contract. Non-deployment of driver shall be deemed to be non-deployment of tractors.				

3	The contractor shall ensure that the drivers that are deployed in the work are medically fit and holder of valid driving licence to operate these vehicles. Tractor model shall not be older than five years & it shall be in good running condition. For this, RTO registration copy along with other valid RTO papers such as insurances, fitness certificate etc. shall be submitted to department for verification before actual deployment.
4	The contractor may be required to deploy tractor for item no.1 and/or tractor with diesel pump mounted tanker for item no.2 for supply of water on all days including Sundays and Holidays as per instruction of engineer-in-charge without extra cost to BHEL over and above the awarded rate.
5	The tractor for item no.1 and/or tractor attached with diesel pump mounted tanker for item no.2 deployed shall not stand idle for want of fuel/maintenance/man power. In the event of the same, BHEL shall have the liberty to make alternate arrangement at contractor's risk & cost without any prior notice whatsoever as the work is essential in nature.
6	For item no.1, tractor & driver may be required to be deployed for supply of water in BHEL township as well as in satellite colonies of BHEL (up to a distances of 5 kms ). Supply of diesel will be in the scope of contractor.
7	In case of break-down in the tractor and/or tractor attached with diesel pump mounted tanker, the contractor shall arrange for a substitute tractor/tractor attached with diesel pump mounted tanker or arrange to restore the break-down vehicle to working condition within a reasonable time (not more than 4.00 hours in any case), otherwise penalty shall be imposed against the contractor as mentioned below:- - If the time for restoration of services in case of the above said break-down exceeds 4.0 hours, deduction shall be made for item no.1 on pro-rata basis per hour delayed @ 1.50 times the respective awarded rate considering a shift of 8 hours and for item no.2, deduction shall be made @ 1.50 times the respective awarded rate, subject to the condition that the work has suffered in the opinion of engineer-in-charge. - But if the time for restoration of services in case of the above said break-down exceeds 4.0 hours, deduction shall not be made from the contractor's bill subject to the condition that the work has, in spite of this default by the contractor, not suffered in the opinion of engineer-in-charge. - It is preferable that the contractor deploys a replacement/ substitute vehicle immediately or keeps in his custody sufficient spares/components of the vehicle to minimise the down time so that execution of work does not suffer.
8	<u>For Item No. 1 :-</u> ( a ) The unit per shift for item no. 1 shall involve 8 working hours in a day. ( b ) Number of tractor to be deployed in the shift shall be minimum one and maximum three as per the instruction of engineer-in-charge. ( c ) Tanker with water will be provided by BHEL. Helper will also be provided by the department for surity of supply of water tanker at right place.
9	<u>For Item No. 2 :-</u> ( a ) Normally, to and fro movement of the vehicle from water filling station and back to it after distribution of the entire quantity of 4000 litres shall mean one trip. However, during low demand situations, to and fro movement of the vehicle from water filling station and back without distribution of the entire quantity of 4000 litre may also be deemed as one trip as per the discretion of Engineer
	Signature of Contractor

**Annexure: II**

**Name of Work: Hiring of tractor for tanker service in BHEL Township along with its vicinity and hiring of tractor with diesel pump mounted tanker for tanker service in BHEL Township.**

**Scope of work**

S.No	Description of activities
1	<b><u>FOR ITEM NO 1:</u></b> - The scope of work includes hiring of tractor with driver and fuel for working shift of eight hours each for tanker services as described in Annexure -I and as per direction of Engineer Incharge. Tanker, water and helper will be provided by BHEL free of cost.
1	<b><u>FOR ITEM NO 2:</u></b> - The scope of work includes hiring of tractor attached with diesel mounted tanker with driver, fuel & one male mazdoor for tanker services as described in Annexure -I and as per direction of Engineer Incharge. Water will be provided by BHEL free of cost.

The above scope may undergo some minor changes based on BHEL's final requirement.
