However, the principle of splitting to (N-1) bidder shall be maintained in line with extent works policy.
- If BHEL, finally, goes in for conduction of Reverse Auction, bidders who are willing to participate in Reverse Auction will have to necessarily submit 'Process Compliance Form (PCF)' (to the designated service provider) prior to commencement of Reverse Auction. The bidder who has not submitted Process Compliance Form (PCF), will not be able to participate in Reverse Auction, but his sealed envelope price bid will be considered for ranking.
- The envelope sealed price bids of all the techno-commercially qualifying parties submitted to BHEL along with the tender offer shall necessarily be opened and the same shall be considered as initial bid of bidder in RA.
- In case of reverse auction, the details of business rules and other terms and conditions of RA shall be intimated to all the techno-commercially qualified parties at an appropriate time.
