| 1.      | Only indigenous manufacturer are allowed to participate.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Confirmation by bidder                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Yes / No                                           |
| 2.      | <p>Bidder should have In-house &amp; established facility to design, manufacture &amp; test (as per relevant standard and QAP) min. 2300NB Butterfly valve with Electro hydraulic actuator for water application.</p> <p>Bidder may procure the Electro hydraulic actuator (EHA) from any of the BHEL approved sources e.g. BOSCH REXROTH (INDIA) Ltd., HYDAC (INDIA) Pvt. Ltd., PARKER HANNIFIN INDIA Pvt. Ltd., YUKEN INDIA Ltd.</p>                                                                                                                                                                                                                                                                                                                                                                                        | <p>a. Bidder to submit supporting document (detail/undertaking of manufacturing facility) for subject item.</p> <p>b. Confirmation required having testing facilities for hydro test &amp; functional test of complete valve.</p> <p>c. Confirmation for EHA procurement from BHEL approved sources.</p>                                                                                                                                                                                                                                                                                                                                               | <p>a. Yes/No</p> <p>b. Yes/No</p> <p>c. Yes/No</p> |
| 3.      | <p>a. Bidder has to submit one performance certificate from end user for successful satisfactory operation of minimum 1800NB BF valve with EHA for minimum 01 year as on due date of bid submission for at least one purchaser.</p> <p>Alternatively, To establish meeting this requirement, bidder has to submit minimum Two Purchase orders from same purchaser with the gap of one year (min.) between supply of 1st PO and Placement of 2nd PO. The first PO should be for min 1800NB BF valve with EHA and the 2nd PO may be for BF valve of min 1200NB with or without any type valve operator (e.g. Manual/Electrical/EHA/etc.).</p> <p>b. To establish business continuity, Bidder is required to submit at least two (02) PO having min 1200NB BF valve in last three (03) years from due date of bid submission</p> | <p>a. Performance certificate from end user stating that supplied valves are in operation and performing satisfactory for at least one year.</p> <p>OR</p> <p>Copy of 2Nos POs from same customer (showing date of PO, item description, name of customer, etc.) meeting requirements of 3(a) with document in support of supply completion like Material dispatch clearance certificate (MDCC) or Material receipt certificate (MRC) of Lorry receipt (LR) or Delivery Challan, or any other valid document for First PO</p> <p>b. 02 Nos un-priced PO (showing date of PO, item description, name of customer, etc.) meeting requirement of 3(b)</p> | <p>a. Yes/No</p> <p>b. Yes/No</p>                  |

#### **B. FINANCIAL CRITERIA-**

|    |                                                                                                                                                                                                                                        |                                                                                                         |         |
|----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------|---------|
| 4. | Vendor should have Average Annual financial turnover of <b>Rs. 20 Lakh or more</b> during financial years FY 2016-17, FY 2017-18 & FY 2018-19, and it should be supported by audited balance sheet and profit & loss account statement | Audited balance sheet and profit & loss account for financial years FY 2016-17, FY 2017-18 & FY 2018-19 | Yes/ No |
|----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------|---------|

#### **Important Instructions for the Bidders:**

- After satisfactory fulfillment of all the above criteria / requirement, offer shall be considered for further evaluation as per NIT and all other terms of the tender.
- BHEL reserves the right to verify the information submitted by the vendor. In case the information is found to be false or incorrect, the offer shall be rejected.
- All documentary evidences shall require to be duly signed and stamped by authorized signatory.
