|----------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|

The bids are invited from manufacturer (only Indian, See Note-3) or their authorized representative for supply of "3 MM DIA BRAIDED POLYESTER CORD" as per purchase specification BP 23790 rev.05.

Following are the Technical Pre -Qualification Requirements (T-PQR):

| S. No. | Description of technical pre-qualification requirement                                                                                                                                                                                                                                                                                                                                      | Vendor Response         |                                                                                                       |
|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------|-------------------------------------------------------------------------------------------------------|
|        |                                                                                                                                                                                                                                                                                                                                                                                             | Complied / Not complied | Supporting Documents required to accept compliance                                                    |
| 1)     | Manufacturer of 3 mm Dia Braided Polyester Cord / their authorized representative.                                                                                                                                                                                                                                                                                                          |                         | Certificate of being manufacturer (for manufacturer) / authorization (for authorized representative). |
| 2)     | The vendor should have experience of supplying Braided Polyester Cord (similar to BP 23790 Rev.05). The vendor shall have executed 2 lots of supply of such item in last 7 years, with each lot quantity of 10,000 meter.                                                                                                                                                                   |                         | - Purchase order / Invoice.                                                                           |
| 3)     | The firm must have adequate manufacturing facilities at their works/ in-house for manufacturing this material                                                                                                                                                                                                                                                                               |                         | Self confirmation                                                                                     |
| 4)     | Vendor to confirm manufacturing capacity to supply at least 40,000 meter of 3 mm Dia Braided Polyester Cord per annum.                                                                                                                                                                                                                                                                      |                         | Supplier confirmation                                                                                 |
| 5)     | Company shall be certified with ISO 9001. In case of authorized representative, valid ISO certificate of manufacturer is required.                                                                                                                                                                                                                                                          |                         | Valid certificate to be submitted.                                                                    |
| 6)     | In case of qualification in the above points 1 to 5, the vendor may be asked to supply a free sample to spec. BP23790 of approx. 20 mtr long alongwith test certificate for testing and evaluation at BHEL Bhopal.<br><b>The evaluation will include testing in BHEL test labs and shop trials and checking required properties during application, before technical clearance is given</b> |                         | Confirmation to be provided                                                                           |

**Note:**

1. Compliance to above Technical Pre-Qualification Requirements are mandatory. In absence of compliance of above requirements vendor TPQR application is liable to be rejected.
2. BHEL has the right to verify information / confirmation furnished, by asking additional documents, proofs etc.
3. As per Government of India, Make in India policy, Public Procurement Order 2017 dated 29-05-2019, Clause 3(a). Only Indian suppliers and their authorized representatives are eligible to quote.
