Bid evaluation criteria: Bids will be evaluated on Merit basis (Pg 11) Tender estimate: Value of PI is maximum of Rs. 1000 lacs which is more than Rs. 1 crore. Hence as per Corporate circular AA : SSP : OT: 02 dated 05.02.19, open tendering is being resorted to. PQR: Common pre-qualification duly signed is placed at Pg 22 . Same shall be made part of NIT. Tender fees: It is proposed that tender fees be exempted for the proposed Press tender enquiry so that more bids can be received and hence more						

competition can be generated as being done with other tenders for Steel section.

6. Proposal for exclusion of Reverse auction clause from NIT:

In line with corporate guidelines for Reverse Auction dated 04.03.2020 (Clause 4.0 (a)), past tenders for CRNGO were reviewed and it was found that there are generally (4 out of 5 tenders) less than 3 techno-commercially qualified bidders and all these bidders have regretted acceptance to Reverse Auction clause (Pg 35). As per clause 11.0 (b), RA / tender will be declared as failed if there are less than 3 techno-commercially qualified bids. In view of the above, it is proposed to **not** make reverse auction, part of this tender and declare – “Reverse Auction shall not be done under this tender enquiry” in NIT.

6. In view of the thrust by corporate and GoI, indenter was asked to review the irrequirement of CRNGO for procurement from GeM (Government e-Marketplace) portal. As per GeM Availability Report and Past Transaction Summary at pg 12 , this item is not available on GeM portal. Request for category creation of CRNGO Steel for Grade 350 is placed at Pg 15 .
7. In view of above it is proposed to issue an open tender two part-bid enquiry for above indicated requirements. Tender notification (NIT) will be published on BHEL tender website (www.bhel.com) and Government’s Central Public Procurement Portal (https://eprocue.gov.in) in line with corporate circular no 27 (Pg 33)
