The bidders have to necessarily submit online sealed bid less than or equal to their bid already submitted to BHEL along with the offer. The bidder having submitted this offer specifically agrees to this condition and undertakes to execute the contract on this awarded rates.

If it is found that L1 bidder has quoted higher in online sealed bid in comparison to envelope sealed bid for any item(s), the bidder will be issued warning letter to this effect. However, if the same bidder again defaults on this count in any subsequent tender in the unit, it will be considered as fraud and will invite action by BHEL as per extant guidelines for suspension of business dealings with suppliers / contractors (as available on www.bhel.com)

1. **Bid evaluation & price schedule:**

The bid shall be evaluated on total delivered cost to BHEL on landed cost basis. Separate L-1 bidder for each item of enquiry shall be established. Bidders to quote for each item individually.

BHEL's decision in such situations shall be final and binding.
