

Technical Pre Qualifying Criteria (PQC)

(Ref. PI No. 631190304; dt. 24.08.19)

1. Bidders should be either OEM (IOCL/HPCL) or their authorised dealer, reseller, channel partner, distributor, etc.
2. If the bidder is not OEM, then he has to submit the authorisation certificate from OEM along with the following undertaking from OEM, duly signed and sealed on the letter head of OEM, with tender documents :

"We (Name of OEM), hereby undertake the full responsibility of the quality and quantity of LPG based metal cutting gas that is supplied to M/s BHEL Bhopal for the complete contract period by M/s (name of reseller/distributor etc)."

"If M/s (name of reseller/distributor etc) backs out during the contract period due to reasons attributable to vendor, we(Name of OEM) will supply the balance quantity of gas with existing PO terms and conditions".

3. Offer of those parties will be considered who or their OEM has supplied at least 20 MT of bulk LPG/propane/butane/ LPG based metal cutting gas in any one calendar year (Jan-Dec) in last 5 years from tender opening date. The relevant PO copies and proof of supplies shall be submitted with technical offer.
