BHARAT HEAVY ELECTRICALS LTD
Industrial Valves Plant, Goindwal
WCM Department

4. Turnover on account of revenue generated through freight & other transport related activity only. (*Minimum Required is the average of last 3 financial years of the bidder should be more than Rs. 75 Lakhs*).

Other Main terms

1. Rates shall be invited in Rs. Per Metric Tonne per Kilometer basis.
2. There are below categories of vehicle required for transporting consignments to various destinations based on all over India.
 - a. Small consignments up to 5.5 MT through Trucks
 - b. Consignments above 5.5 MT up to 7MT through Trucks
 - c. Consignments above 7MT to 15MT through Trucks
 - d. Above 15MT– 21MT
 - e. Above 21MT– 27MT
 - f. Above 27MT– 35MT

For above vehicles rates shall be invited in four sub categories (i.e distance upto 500 KM, distance from 501 to 1000 KM, distance from 1001 to 1500 KM and distance more than 1500 KM). For all above vehicles except small consignments (category No. a), payment shall be made as per upper limit of that category.

Minimum chargeable distance allowed will be 200 Kms. Minimum chargeable weight allowed will be 60 Kgs. LD, penalty for late vehicle placement, detention charges and penalty for loss of material in transit will be applicable.

3. The rates agreed between BHEL and the transporter will remain firm during the total period of the contract. However, these prices will be revised with increase/decrease in diesel rates subsequent to award of contract as per formula.

Normally we enter into annual rate contract with transporters. Our annual requirement is approx. 2.35 Cr.
