ANNEXURE-I

Bidder should be approved by POWERGRID. In case Bidder is not already approved, Bidder is required to obtain POWERGRID approval before placement of PO/LOI. The vendor will be required to take POWERGRID approval based on the assessment report, to be considered for further tendering process. Any cost incurred on account of a physical assessment conducted by POWERGRID, if required, will be borne by the vendor only. For information of vendors, following documents are required by POWERGRID for vendor approval:

1. Registration / License of the works
2. Organization chart with name and qualification of key persons.
3. List of Plant and Machinery.
4. List of testing equipment with their calibration status.
5. List of Raw material, bought out items with sourcing details.
6. List of out-sourced services with sourcing details.
7. List of supply in last three years.
8. Third party approval, if any (viz. ISO, BIS).
9. Pollution clearance wherever applicable.
10. Energy Conservation and Efficiency report.
(Applicable to industries having contract load more than 100 KVA)
11. Formats for RM, in process and acceptance testing.
12. Type test approvals conducted in last 5 years, if applicable.
13. Performance Certificates from Customers.
14. Photographs of factory, plant and machinery & testing facilities.

If the Vendor is unable to get the approval from POWERGRID, they will be disqualified from the bidding process without further notice.
