NOTES ::

1	This document details the price schedule format for the enquiry. No other format will be entertained. Applicable taxes and duties shall be indicated separately in commercial offer.
2	Duly signed & stamped un-priced price schedule format shall be submitted by bidder in the technical offer as a token of concurrence that price schedule would be submitted in this format. Any tampering / modification / additions, etc. are NOT allowed and not considered binding and is liable for rejection of the offer.
3	Bidders shall be evaluated on overall L1 basis.
4	For addition/reduction of quantity, unit rate quoted in the present offer shall be considered during ordering and shall be valid up to execution of the contract to the extent of $\pm 10\%$ of order Value. These would include the cost up to engineering, installation of the item, wiring up in the panel and seamless integration with main system at works/site without any cost implications. All accessories required for this purpose shall be included in the price quoted.
5	Billing will be as per BOM of actual supplied main equipment (including accessories & services) & spares.
6	The total Erection & Commissioning charges should be minimum 10% of the total quoted price of the supply package excluding taxes and duties, failing which break up of prices shall be adjusted accordingly for evaluation & ordering.
7	Per diem charges shall be applicable from the day bidder's person reaches site, up to the day he leaves the site.
8	No of Man Days / no of visits are indicative only. For any addition / deletion / reduction visits/ Man Days, then the Bidder shall provide the service on chargeable basis at the same rate quoted in the price schedule. Hence, the Man Day rate and rate per visit is fixed throughout the contract period and extension, if any
9	Components/Items for addition / deletion, spares shall be identical to the main equipment (if required)
10	Unit rates of components would be used for effecting required additions/deletions of main equipment during order execution. These would include the cost up to engineering, installation of the item, wiring up in the panel and seamless integration with main system at works/site without any cost implications. All accessories required for this purpose shall be included in the price quoted.
11	This list is indicative. bidder has to include and quote unit rates for all items which are figuring in main supply & mandatory spares. Your offer will NOT be evaluated without unit rates.
