**ANNEXURE-E**  
**PRICE FORMAT**

Enquiry No :  
Project : **ONGC URAN LGC**  
Name of the Bidder :

**Scope of supply** : As per Bill Of Material List Annexure –A to **PEMC-07394** indicated in Variant Table

| SI No | Item Description            | Weight of Piping Package as per Bid stage BOQ (Kg) | Unit price (Rs / kg) | Total Price (Rs) |
|-------|-----------------------------|----------------------------------------------------|----------------------|------------------|
| 01    | Piping Package-LTCS Piping  | 13921                                              |                      |                  |
| 02    | Piping Package API 5L Pipes | 23299                                              |                      |                  |

**Notes:**

- Price bid evaluation will be done based on total price quoted as per SI no (1) & 2 indicated in above table.
- Bidders to quote strictly as per the above price format. No other format is acceptable. Any tampering/ modification/ change of the above price format is not allowed and the bidder's offer is liable for rejection.
- The price format is only for basic price. All other commercial charges for packing, freight, transportation, insurance, taxes & duties etc., shall be separately indicated.
- The percentage limitation of the variation in weight of the package (on individual line items), from the Tender stage to post order, shall be -10% to +20%, i.e., the weight of the piping package furnished post order may vary up to -10% to +20% from the information furnished above in the price bid format. Bidder shall make a note of the same while submitting the bid.
- Unit price quoted by the bidder in the price bid format / finalized during the reverse auction process, shall be binding on the vendor till successful execution of the order and to settle the final price of the package after taking care of the subsequent variations (if any) as per clause no 4.
- Gross Weight of the LTCS piping package as given above in the price bid format is arrived at by considering the unit weights of the individual piping components as per the applicable standards. These unit weights shall be binding on the successful bidder to arrive at the final weight of the package that is supplied. No mil tolerance for pipes shall be considered for finalizing the weights of package for final payment.
- All the items included in the price bid format shall be quoted as per tender specification and pre-bid clarifications, if any. Responsibility of ensuring correctness & completeness of scope of supply as per specification requirement solely lies with bidder.
- Bidder to consider all the material cost, cutting allowances, wastages, consumables and any other relevant aspects while arriving at the unit rate.
- Bidder shall confirm submission of the unpriced bid as part of their technical offer by typing "QUOTED" in the above format.
