Dear Sir/ Ma'am,

We are pleased to invite your offer for subject package in two parts strictly as per Clause-2.0 of the enclosed "Instructions to Bidders" of the General Conditions of Contract (GCC) Rev-06 available at following link: - <http://www.bhelpem.com/Documents/GCC/GCC-Rev-06.pdf> Bidders are requested to submit their bids in quintuplicate (5 sets) in sealed covers. The details of the tender enquiry are as mentioned below:

Sl. No	Description for which Rate Contract is desired	Tentative Quantity	Delivery required
1	Steel Gate/Globe/NR Valves - Refer Technical specification no. PE-TS-020-100-M001 for detailed description.	As per BOQ cum price schedules in Annexure-I for Group A & Annexure-II for Group B	For Main Supply : "Six (06) months from drgs. /docs. approval in CAT-I issued by BHEL. Successful bidder to make 1st submission of drawing/docs within two weeks from the date of P.O. as per clause no-15 of Technical Specification-PE-TS-020-100-M001. Vendor to re-submit documents within 7 days, taking care of all the comments of BHEL. Any deficiency in documents submitted w.r.t. agreed specification/ comments from BHEL shall be treated as non-submission and no. of days delay in submission of complete documents during approval process, on account of this, would be reduced from the delivery. The vendor shall be responsible for getting approval from BHEL as early as possible and BHEL will support the process, in full, within above time frame and terms & conditions." For Mandatory Spares: Mandatory Spares to be delivered within 04 months from manufacturing clearance. Separate dispatch/ manufacturing clearance will be issued for Mandatory Spares.

(i) Rate contract on firm price basis is proposed for 2 year from placement of Rate Contract PO.

(ii) Rate Contract is proposed to be finalized on total lump sum basis. However, there is % allocation weightage against BOQ quantity of each item which shall be used for arriving at price break up and same will also ensure that item rates of L1 bidder will be lowest for each items compared with other bidders' rate. BOQ is split in two groups i.e. One for Group-A and other for Group-B.

Considering above, two Rate contracts (Group-A & Group-B) for 100 percent value on L1 bidder is proposed for two years from placement of Rate Contract PO with a provision for further extension after review on mutual consent.

Evaluation will be done on overall L1 for each group of projects BOQ (Total cost to BHEL excluding GST) basis with necessary loading as applicable.
