- 14) Arbitration and law: Except where otherwise provided for the contract, all questions and disputes relating to the meaning of the specifications design, drawings and instructions here in before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right matter or thing whatsoever in any way arising out of or relating to the contract, design, drawings, specifications, estimates, instructions, orders, or these conditions, or otherwise concerning the works or the execution or failure to execute the same whether arising during progress of the work after the completion or abandonment thereof shall be referred to the sole arbitration of the General Manager of BHEL and if the General Manager, is unable or unwilling to act, to the sole arbitration, of some other person appointed by the General Manager willing to act as such arbitrator. There will be no objection if the arbitrator so appointed is an employee of BHEL and that he had to deal with the matters to which the contract related and that in the course of his duties, as such had expressed views on all or any of the matters in disputes or difference. The arbitrator to whom matter is originally

Page 11 of 15

referred being transferred or vacating his office or being unable to act for any reason, such General Manager as aforesaid at the time of such transfer vacation of office or inability to act, shall appoint another person to act as arbitrator in accordance with the terms of the contract, such person shall be entitled to proceed with the reference from the stage at which it was left by his predecessor. It is also a term of this contract that no person other than a person appointed by such General Manager as aforesaid should act as arbitrator and if for any reason, that is not possible, the matter is not to be referred to arbitration at all. In all case where the amount of the claim in dispute is Rs.50,000/- (Rupees fifty thousand only) and above, the arbitrator shall give reason for the award. Subject as aforesaid the provision of the arbitration Act, 1940 or any statutory modification reconditioning or reenactment thereof and the rules made there under, and for the time being in forces shall apply to the arbitration proceeding under this clause.

It is a term of the Contract that the party invoking arbitration shall specify the dispute or disputes to be referred to arbitration under this clause together with the amount or amounts claimed in respect of each dispute. The arbitrator(s) may from time-to-time with consent of the parties enlarge the time for making and publishing the award.

The work under the contract shall if reasonably possible continue during the arbitration proceedings and no payment due or payable to the contractor, shall be withheld on account of such proceedings.

The arbitrator shall be deemed have entered on the reference on the date he issues notice to both the parties fixing the date of first hearing. The arbitrators shall give a separate award in respect of each dispute or difference referred to them. The venue of arbitration shall be such place as may be fixed by the arbitrator in his sole discretion. The award of the arbitration shall be final, conclusive and binding all parties to this contract.

15) **Abandoning the work**

In the event of contractor abandoning the work or BHEL revoking the contract, BHEL shall deserve the right to get the unfinished work completed at the contractor's risk and cost.

16) **Termination of Contract**

Contract awarded is liable for termination for any contravention of statutory provisions or any other reasons without assigning any explanation or notice to the contractor.
