

Tender to finalize suitable Educational institution to manage and run BHEL Matric Higher Secondary School within BHEL Township, Tiruchirappalli

BHEL Educational Society (BES), Tiruchirappalli is involved in promotion of education through various activities including running and maintaining schools, among other activities. BES is looking for a highly result-oriented and dedicated management to manage and run BHEL Matric Higher Secondary School situated in the BHEL Township, Thiruverumbur, Tiruchirappalli-620014, Tamil Nadu. The school was established in the year 1971. BHEL Matric HSS is located within the BHEL Township, rendering education to students from KG I to +2 classes.

Presently the schools have student strength of over 2343 and staff strength of around 83 Nos. Up to 12th standard, State Board syllabus is adopted. The medium of instruction in the Schools is English. The school is one among the best Schools in the State having all adequate infra-structure facilities like buildings, labs, play grounds, meeting halls and with excellent teaching faculties.

BES prefers Institutions with adequate experience in managing schools of State Board syllabus in Tamil Nadu

(A) Facilities and information about the school

- (a) BHEL constructed the school buildings equipped with necessary furniture, fixtures, electrical connections, playgrounds, laboratory with equipment, computers, library, etc. in Kailasapuram Township.

- (b) Infrastructure facilities like school facilities (except consumable) playground etc as existing now will be handed over to the selected institution.

Total Land Area : 1,05,017.6 square feet

Total built up area : 31,833.4 square feet

Size of the class room : 7.10 X 6.00 m² (approx.)

- (c) Civil, Electrical and Sanitation maintenance of building/rooms will be taken care of by BES.

(B) Terms and Conditions

Qualifying Criteria

Should be already running a school having classes, from KG to XII, under State Board pattern with a minimum student strength of 2000.

Scope of Services by School management

- (a) Management of School will be handed over to the selected Institution to Administer, run and conduct the schools with classes commencing from lower kindergarten to XII in state board (English Medium).
- (b) The new management shall appoint an Administrator and a Principal. If the school management desires, the Administrator can act as Secretary and Correspondent. The salary of the Administrator and the Principal, to be appointed by the school management shall be shown separately, included in the management fees, in the price bid. Both these appointees should be fluent in English and Tamil. The candidate for the post of Principal shall have a minimum of 15 years teaching experience and in that 5 years working experience as principal. The candidate for the post of an administrator shall have a minimum of 10 years teaching experience and two years as Principal or correspondent.

All other existing Staff (other than Principal) shall be allowed to continue except on performance and discipline criteria.

- (c) The selected institutions should run the School with service motto.
- (d) At present the school is run by the fees collected from the students and the subsidy provided by the BES management. The difference in income through fees collected and otherwise and the actual expenditure will be paid as subsidy. Approval for fees structure shall be obtained from BES for every academic year.
- (e) A Governing Body of the School will be formed in which the selected management will appoint four members and BES will appoint three members.
- (f) Annual budget of the school shall be up put up to the Governing Body for approval before the beginning of the academic year.
- (g) The responsibility of paying any statutory levies to Govt/Quasi govt authorities, panchayats fees, taxes, etc., except property tax shall lie with the school management and will be part of school annual budget.
- (h) The responsibility of procuring necessary consumables/essential commodities shall lie with the school management.
- (i) Relevant statutory provisions pertaining to the school shall be followed
- (j) The school shall not be used for other than educational activities without the written permission of BES.
- (k) The school premises shall be maintained in a proper condition.
- (l) The existing pattern of syllabi i.e. state board shall be continued.

- (m) Number of students, classes, staff (teaching/non-teaching) strength shall not be increased without prior approval from BES.
- (n) Statutory dues like PF, Gratuity etc. to all the members of the teaching and non-teaching staff of the school at the time of their leaving the services of the school shall form part of the annual budget.

School management shall take initiative to settle the payments in time

- (o) The contract will be valid for Five years from the date of signing the contract and it can be extended on mutual consent for further period of 5 years. The contract can also be foreclosed by either side of the parties to the agreement with a Notice period of six month coinciding with the Academic Year.
- (p) In the interest of the bidder, he is advised to visit the school and assess the facilities before submission of the tender.
