

**Pre-Qualifying Requirement (PQR) for 240 AH VRLA CELLS**

1. Vendor should be either Manufacturer or authorized dealer/retailer. Vendor shall provide relevant documents like Manufacturing Unit registration etc. in case of vendor is manufacturer, or "valid authorization/dealership certificate indicating the validity period of dealership" in case of vendor is dealer, in support of this PQR.
2. Vendor should have supplied indigenously manufactured VRLA cells of minimum 240 Ah capacity in last 2 years from the date of tender opening. Vendor shall submit Factory licence of manufacturer and Purchase order(s) along with related "dispatch documents" and "order execution/completion certificate/performance certificate" in this regard.
