

Annexure – A – Pre-Qualification Criteria (PQR)

Technical Pre-Qualification Requirement for Mill Seal Air Filter

Enq No :1801900648/03 Dt 05.08.2019

(This techno-commercial sheet should be duly filled and signed, and should be the part of Bid part no-I)

1. The vendor shall be an established mechanical (inertial) type self-cleaning air filter (henceforth referred as Seal Air Filter) manufacturer having adequate Engineering, Manufacturing and testing facilities.
2. The Seal Air Filter offered shall be from the existing regular manufacturing range of the supplier. Vendor shall provide the manufacturing catalogue or general reference list for the offered Seal Air Filter along with offer.
3. The supplier shall have experience of having supplied Seal Air Filters for applications in thermal power plants or for the application of similar severity and to meet the technical parameters of size, flow medium, restricted pressure drop and efficiency requirements as per technical specification or higher. Supplier shall submit documents in proof of the same for the fullest satisfaction of BHEL.
4. BHEL prefers only manufacturers for this requirement. Following documents may be submitted
 - a. Company registration certificate
 - b. PAN card copy.
 - c. GST registration copy.
