

PRE QUALIFICATION REQUIREMENT

Ref: Tender enquiry no. 201603912/5429 due on 19.12.2016

Pre-qualification criteria for above tender enquiry are as under:

1. Vendor must have supplied at least 10 sets of Slide Gate Refractories to a steel plant in one year within last three years from date of tender opening.
2. In support of point (1) vendor has to provide copy of Purchase order/ Purchase agreement/Invoice.

Note: 1. One set of Slide Gate Refractory=2 Plates, 1 Inner Nozzle & 1 Collector Nozzle.

2. All three materials will be procured from single source/ vendor.
3. The condition for development of the item will be as follows:
 1. Acceptance of the material shall be based upon Test certificates and successful running of all 10 sets of Slide Gate Refractory.
 2. Item will be considered developed if all 10 sets of 4 QC Slide Gate Refractories run successfully without any kind of failure during operation.
 3. In case any one of the set of 4QC Slide Gate Refractories fails during use, the item will not be considered developed and rest of the sets of 4QC Slide Gate Refractories which are unused will not be used further and will be rejected. (The number of 4QC Slide Gate Refractories which are already used will be considered accepted but the item will be considered not developed).
