Notes:-

- The fire sealing area indicated under Column "Ordered Quantity" above shall be considered for ordering purposes. At contract stage, Bidder shall furnish the quantity of material required to be supplied per square metre, which shall be used for billing purposes of the supply portion after review and acceptance.
- For item Sl. no. A.4 (main items) and B.4 (E&C), Bidder to consider additionally water proofing material/ water proofing properties for fire sealing material used for pipe sleeves.
- LOT 1 Quantity shall be released along with LOI, which is approximately 70% of the ordered Quantity.
- Quantity variation shall be limited to (-)30% to (+)30% of the contract value arrived at on the basis of the total ordered quantities. LOT 1 quantities shall be cleared for supply along with the LOI/ PO. However, supplies of quantities shall be made only after approval of drawings, datasheets, quality documentation
- Successful bidder is responsible for estimation of additional quantities based on site conditions and work progress. The estimates shall be used by BHEL as inputs for clearing further quantities. These activities shall be completed within the overall contractual period.
- Total price quoted for items A and B above shall be used for price comparison purpose.
- Unit prices for supply and installation shall be quoted in line with clause no. 8.3, Section D of specification.
- Unit rates for civil works (item C above) shall be as per clause no. 8.3 (f) of Section-D of specification.
